145. Crash Description/Narrative

The operator of v1 stated in effect, via translation from her passenger, she was traveling on the How Lane bridge westbound, approximately 770 feet west of Livingston Ave. While traveling she accelerated and struck the rear of v2. She further advised she briefly took her attention away from traffic conditions ahead prior to the crash.

The operator of v2 stated in effect she was traveling on the How Lane bridge westbound, approximately 770 feet west of Livingston Ave, and stopped in traffic. She further advised while stopped she observed v1 in her rear view mirror traveling fast and was not stopping prior to the crash.

No report of injuries. V1 sustained front passenger corner damage, and v2 sustained rear driver corner damage.

Upon completion of the investigation I determined the operator of v1 was at fault for the mvc for driver inattention and was issued a mv summons for 39:4-97(careless driving).
