145. Crash Description/Narrative

Investigation revealed the following: V1 was parked in a stall facing north in a nose-out position, in the parking aisle directly in front of the Bed Bath & Beyond storefront. V2 was parked in the stall immediately to the left (west) of V1, in the same aisle and facing the same direction. Driver of V1 began to pull forward out of the stall, but without noticing that a person outside V2 had opened the rear right door on V2, causing the edge of V2's open door to impact V1's protruding rear left door handle as V1 began to move forward. Verbal statements related at the scene by both parties corroborates this account of events; driver of V1 stated that she had checked that side but did not notice V2's door opening. No injuries reported or observed.
