145. Crash Description/Narrative

Upon responding to a report of a serious motor vehicle collision with injuries at the intersection of 1so. and Adams Ln, I observed two vehicles in the right turn lane with one resting partially on the curb in front of the Malouf Chevrolet dealership. When I spoke to the drivers of both vehicle's 1 and 2, each driver stated similar chain of events. The driver of vehicle number 1 stated that he was approaching the intersection of US 1 from Adams Ln. west, and when he attempted to make a left turn to US 1so. when the left turn light was changing to red, he collided into vehicle number 2. The operator of vehicle number 2 stated that she was travelling east on Adams Ln. after a green traffic signal, when she was struck by the operator of vehicle number 1 who turned left into the driver's side front bumper. Consequently, the force of the collision resulted in vehicle number 2 being pushed up on the curb. As a result, the operator of vehicle number 2 sustained minor injuries to her hand, which also resulted in both vehicles being towed by Coppa's.

The collision was witnessed by Melanie Rodriguez (732-666-74740), and Mridul Dave (862-432-2374). Both witnesses stated that the operator of vehicle number 1 missed the green traffic signal on Adams Ln, when he quickly turned left on US 1so, thus colliding into vehicle number 2.
