145. Crash Description/Narrative

V1 was traveling north bound on Route 1.

D1 stated he was traveling on Route 1 and veered to the right to avoid a collision with another vehicle. D1 stated he drove off the road and struck a utility pole.

Upon investigating the crash, I observed an open wax fold of heroin stamped with "666" on the driver seat floor. In addition, D1 admitted to the EMT staff member that he had recently ingested heroin and xanax. After completing my investigation, I determined D1 is at fault for driver inattention for driving under the influence. D1 was transported to RWJ medical center for a medical evaluation. D1 consented to the withdrawal of a blood sample which was obtained from a RWJ medical staff member. Please see my D.U.I. narrative for further details.
