145. Crash Description/Narrative

The driver of vehicle #2 stated in effect that she was parked on the north side of Trader Joes while she went grocery shopping inside. When the driver returned to her vehicle she recognized damage to the rear driver's side that was not there prior to parking. It appears that vehicle #1 was attempting to park to the left side of vehicle #2 and the front passenger side of vehicle #1 struck the rear driver's side of vehicle #2. I did not see any cameras visible on the side of the building and confirmed with management that they do not have any cameras on that side of the building.

My investigation concludes that the driver of vehicle #1 is at fault for improper parking. No further information at this time.

No notes were generated.
