145. Crash Description/Narrative

The driver of V2 stated that he was slowing down in traffic on Rt.1 South, when he was rear ended by V1.

The driver of V1 stated that she was traveling behind V2 and was unable to slow down in time, resulting in a rear end collision.

Based on the evidence and statements made on scene, the driver of V1 was found to be at fault for following too closely causing a rear end collision.

I observed moderate/functional damage to the rear end of V2 and the front end of V1. No injuries were reported or observed on scene.
