145 Crash Description/Narrative

Box #131, 132, 134: The pedestrian was struck and rolled along the side of the car, before falling to the ground and striking his head, causing a laceration to the back of his head.

V1 was traveling east on CR 17 (W Sylvania Ave) at Tucker Dr. The pedestrian was on the southern sidewalk of CR 17, approximately 38 feet east of Tucker Dr. The pedestrian stepped off of the curb and into traffic on CR 17. The pedestrian did this outside of a crosswalk, mid block, and did not wait for traffic to clear. **D1** was unable to stop in time, and struck the pedestrian. The driver side fender of **V1** struck the pedestrian, who then rolled along the driver's side of the car before falling to the ground. The pedestrian's bag of food and shoes flew off as well; see above diagram for final rest.

Several witnesses to the incident confirmed the pedestrian darted into heavy traffic without looking. It was later discovered the pedestrian is Special Needs and is blind.

The pedestrian suffered a laceration to the back of his head, was alert and conscious, and was transported to JSUMC by NCFAS. NCFAS responded to the scene to assist with decontaminating the street.

Due to a prior crash to **V1**, Jost Towing responded to the scene to tow the vehicle, as it was deemed unsafe to drive.

Witnesses: Virgilio Arcega - 201-669-1445
 413 Sorbie Ln, Mechanicsburg, PA 17050

William Kneipher - 732-761-0565
