145 Crash Description/Narrative

Box 118A - Driver 1 misjudged the distance between his front bumper and the rear bumper of Vehicle 2.

Vehicle 2 was parked facing west in a parking spot, with the rear bumper hanging over into the parking spot directly behind Vehicle 2. Vehicle 1 was parking head on into the parking spot directly behind Vehicle 2. While parking, Driver 1 attempted to pull as far into the parking spot as possible and as a result, Vehicle 1's front bumper came into contact with Vehicle 2's rear bumper.

Vehicle 1 did not sustain any damage. Vehicle 2 did not sustain any damage, but had prior scratch marks along the rear bumper. It should be noted, none of the scratch marks on Vehicle 2 aligned with the front bumper of Vehicle 1. There were no reported injuries.
