145 Crash Description/Narrative

Box 118A: Domestic animal (dog) ran into roadway and was struck by passing vehicle.

An unknown vehicle, possibly a light colored (silver) pickup truck allegedly struck a domestic animal in front of 58 County Road 5 (Steiner Ave), while traveling north in the northbound lane. Upon striking the dog, the vehicle left the area last seen by an unidentified bystander traveling northbound on CR-5. There was no make or model reported for the accused vehicle and the driver remains unidentified. Upon investigating the scene there were no car parts, tire marks, or blood found in the roadway.

The dog, a one-year-old Yorkshire Terrier ultimately succumbed to her injuries after being rushed to the Red Bank Veterinarian Hospital. The owner, Andrew Armentilla advised that he was unsure of how his dog was running loose and unattended. Armentilla specified that he did not witness the hit and run. This motor vehicle hit and run is being investigated by the Neptune City Police Department Detective Bureau.

07/06/20: No new information has been obtained. The case was closed at this time.
