145 Crash Description/Narrative

Vehicle 1 was traveling North on Brighton Ave in the right lane and turning right onto SR 33 East which currently had a red traffic signal. Vehicle 2 was traveling East on SR 33 in the right lane which currently had a green traffic signal. Vehicle 1 made a right hand turn onto SR 33 East, failing to yield to Vehicle 2. Vehicle 2's front passenger side bumper made contact with Vehicle 1's rear driver side bumper. Vehicle 2 skidded to a halt on SR 33 East in the left lane. Vehicle 1 proceeded to overturn and skid into the the left lane of SR 33 East. As a result of the collision, Vehicle 1 had multiple airbag deployments.

Vehicle 1 sustained damage to the front and rear driver side bumper, as well as damage to the rear of the vehicle. Vehicle 2 sustained damage to the front passenger side bumper. Both vehicles were towed by Bennett's Auto Recovery. NTFD and NCFD responded and cleaned the debris and fluid spill.

Driver 1 was bleeding from the mouth and feet and was transported by NTFA to JSUMC for further evaluation. Driver 2 had a complaint of lower back pain and was transported by Sergeant Pyzik 102 to Meridian Urgent Care for further evaluation.

It should be noted, Driver 2 was transported to Meridian Urgent Care due to the Coronavirus outbreak.

It should be noted, upon arrival to the accident Patrols observed broken beer bottles in vehicle 1 as well as the odor of alcohol coming from Vehicle 1. I spoke with Driver 1 who admitted to purchasing the beer, but denied consumption of alcohol. Driver 1 did not have an odor of alcohol on her breath nor did she exhibit signs of being intoxicated.
