145 Crash Description

D1 explained that he was in the right lane of Wyckoff Road South approximately five feet north of Hope Road stopped in traffic. D1 advised that V2 was in front of him stopped at the red traffic signal of Wyckoff Road at Hope Road. D1 said that V2 started to drive forward and he thought that V2 was going to make a right turn onto Hope Road, so he began to drive forward. D1 stated that V2 hit its brakes, which he was not expecting, and V1 struck V2. I observed minor damage to the front bumper of V1.

D2 explained that she was in the right lane of Wyckoff Road South approximately five feet north of Hope Road stopped at a red traffic signal. D2 stated that she was planning on making a right turn on red, but right when she was planning on turning onto Hope Road, she observed a vehicle on Hope Road, so she hit her brakes. D2 said that while she was stopped, V1 struck V2. I observed rear end damage to the rear bumper and rear trunk of V2.

There were no reported injuries. D1 is at fault for the crash.

145 Crash Description

D1 explained that she was parked in a marked parking stall in the CVS Pharmacy parking lot. D1 said that when she pulled in to the parking spot when she arrived at CVS, there was no one parked next to her. D1 stated that she put V1 in reverse and began backing out, but did not look next to her because earlier, there was no vehicle next to her. D1 advised that while she was backing out, V1 struck V2. I observed minor damage to the front driver's side quarter panel of V1.

D2 explained that she parked in a marked parking stall in the CVS Pharmacy parking lot. D2 stated that she was about to turn her vehicle off and open the door to exit V2 when V1, which was backing out of a parking stall next to her, struck V2. I observed minor damage on the front passenger and rear passenger door of V2.

There were no reported injuries. D1 is at fault for the crash.

145 Crash Description

D1 explained that he was on Route 36 West approximately twenty five feet from the DMV jug handle in the right lane when V2, which was in front of him, stopped as the traffic signal changed to red. D1 said that he attempted to stop V1, but could not stop in time. D1 stated that he swerved the wheel to the left in an attempt to avoid a crash and V1 struck V2. I observe damage on the front passenger side bumper and front passenger side quarter panel of V1.

D2 explained that he was on Route 36 West approaching the DMV jug handle in the right lane when the traffic signal changed to red. D2 stated that he stopped at the intersection and just after he stopped, V2 was rear ended by V1, which was behind him. I observed damage to the rear driver's side bumper of V2.

There were no reported injuries. D1 is at fault for the crash.

145 Crash Description

D1 stated that while he was attempting to make a left turn into the Popeye's parking lot, the sun glare was so strong that it affected his vision causing him to misjudge the turn and strike the utility pole north of the driveway. After striking the utility pole, two spot lights that were facing Popeye's parking lot fell to the sidewalk. No injuries were reported and V1 sustained moderate front end damage. There was no pole number located on the utility pole.

145 Crash Description

D2 stated that she was traveling North on Route 18 when V1 was traveling in front of her. D2 stated that a cinder block looking object flew from the bed of V1 and struck her vehicle.

V1 likely with no knowledge of the incident proceeded on.

D2 provided me with a license plate for the accused vehicle via picture which matched the description of the vehicle. However after exhausting all avenues I have been unable to get in touch with V1's driver or owner.

The principal damage to V2 was consistent with the statement she had given.

145 Crash Description

D2 states that he was stopped at the red light at the intersection of Industrial Way West and Route 35 when he was struck from behind by V1.

D1 stated that he was traveling East on Industrial Way West and as he was approaching the red light he slammed on his breaks but was unable to stop in time and ultimately collided with the rear of V2.

Based on what I was able to observe and the statements provided to me by both parties involved I was able to determine that D1 is at fault for this accident for following too closely.

New Jersey Police Crash Investigation Report

Motor Vehicle Crash Description

Police Dept: EATONTOWN POLICE DEPARTMENTCode: 01Station: --Case No: I-2019-015526

145 Crash Description

EATONTOWN POLICE TRAFFIC SAFETY OFFICER PTL. CHRISTOPHER BARTLETT WAS ON SCENE AND TESTED THE BRAKES ON V1 BY OPERATING V1. AFTER TESTING V1 HE TOLD ME THAT THE BRAKES WERE ACCEPTABLE AND FUNCTIONING PROPERLY.

DRIVER OF V2 WAS ATTEMPTING TO MAKE A LEFT TURN. DRIVER OF V2 HOWEVER WAS STOPPED IN THE MIDDLE OF THE INTERSECTION WELL PAST THE PAINTED STOP LINE THAT IS MARKED FOR VEHICLES MAKING A LEFT TURN. WHEN THE TRAFFIC LIGHT TURNED YELLOW FOR V2, AND V2 WAS PAST THE PAINTED STOP LINE, IT IS THEN THE RESPONSIBILITY OF V2 TO SAFELY NAVIGATE AND CLEAR THE INTERSECTION. V2 WAS NOT ABLE TO DO THIS. IN NEW JERSEY, WHEN TURNING THROUGH AN INTERSECTION THAT IS CONTROLLED BY A TRAFFIC LIGHT, VEHICLES MUST BE ABLE TO COMPLETE THE TURN AND CLEAR THE INTERSECTION WITHOUT OBSTRUCTING TRAFFIC OR "STAGING" IN THE MIDDLE OF THE INTERSECTION ONCE THE TRAFFIC LIGHT IS NO LONGER GREEN. VEHICLES AT THIS POINT MUST REMAIN AT THE PAINTED STOP LINE OR OUTSIDE OF THE INTERSECTION IF NO STOP LINE IS PRESENT. BOTH DRIVERS SHARE EQUAL RESPONSIBILITY FOR FAULT IN THIS CRASH.

145 Crash Description

V1 WAS DRIVING SOUTH ON RT. 35 IN THE LEFT LANE APPROACHING THE INTERSECTION OF THE LOWES HOME IMPROVEMENT ENTRANCE / EXIT. V2 WAS DRIVING NORTH IN THE LEFT HAND TURN LANE, PREPARING TO MAKE A LEFT TURN INTO THE LOWES HOME IMPROVEMENT. V2 BEGAN TO TURN AND VEHICLES CRASHED IN THE MIDDLE OF THE INTERSECTION. NO INJURIES. THE AIRBAGS ON V2 DEPLOYED AND SAME WAS TOWED BY BROTHERS TOWING. DRIVER OF V1 STATED: I WAS DRIVING (SOUTH) ON RT. 35 AND COMING TO THE INTERSECTION. THE LIGHT TURNED YELLOW AND I STARTED TO STOP BUT MY CAR DID NOT START TO STOP UNTIL I WAS ABOUT 30-40 FEET PAST THE PAINTED STOP LINE, SO I THEN TRIED TO GO THROUGH THE INTERSECTION. WHEN I WAS GOING THROUGH THE INTERSECTION SHE (V2) TURNED IN FRONT OF ME. DRIVER OF V2 STATED: I WAS IN THE MIDDLE OF THE INTERSECTION MAKING A LEFT TURN AND THE TRAFFIC LIGHT TURNED YELLOW. I STARTED TO TURN AND SHE (V1) HIT ME.

OFFICER'S INVESTIGATION: BOTH DRIVERS GAVE CLEAR AND CONSISTENT STATEMENTS. DRIVER OF V1 STATED SHE TRIED TO STOP FOR A YELLOW TRAFFIC LIGHT BUT GOT CAUGHT IN THE MIDDLE OF THE INTERSECTION AND THEN TRIED TO GET THROUGH SAME INSTEAD OF STOPPING IN THE MIDDLE OF THE INTERSECTION. THIS EQUATES THAT IN THIS PARTICULAR CRASH, THAT THE VEHICLE WAS NOT BEING DRIVEN IN A MANNER WHERE THE DRIVER COULD CONTROL THE CAR AND STOP SAFELY AND PROPERLY WHEN THE TRAFFIC LIGHT CHANGED. DRIVER OF V1 ALSO STATED THE CAR'S BRAKES DID NOT WORK PROPERLY AT FIRST WHEN THEY WERE FIRST ENGAGED. ** NARRATIVE CONTINUED PAGE 3 **

145 Crash Description

D1 stated that while traveling East on Route 36 in the left lane he attempted to change lanes and while doing so he did not see V2 traveling in the right lane next to him. D1 stated that he side swiped V2 because he did not see the vehicle in his blind spot.

D2 stated that while traveling in the middle lane on Route 36 East they were side swiped by V1 who just simply changed lanes right in to the side of V2.

Based on the statements provided to me by both drivers and the damage that I was able to observe on both vehicles at the scene, I was able to determine that D1 is at fault for this accident for making an unsafe lane change.

V1's operator explained that as he was stopped in traffic his foot slipped off of the brake pedal and he subsequently rear ended V2.

V2's operator explained that she was stopped in traffic prior to the intersection of Route 36 Eastbound and the DMV Jug handle when this motor vehicle accident occurred. V2's operator advised that as she was stopped at the red traffic signal she was struck by V1.

145 Crash Description

The owner of V1 stated that he was inside the mall for approximately twenty minutes and when he returned to his vehicle, he noticed damage to the front bumper in addition to the passenger side head light being broken. V1 was parked in a spot adjacent to light pole #22. The vehicle was unoccupied at the time of the crash, therefore, no injuries were reported. After speaking with the owner of V1, I checked the immediate area for any surveillance cameras but was unable to locate any. No further information.

145 Crash Description

Vehicle 1: Driver stated she was traveling in the center lane of Route 36 West approaching Wyckoff Road. She observed Vehicle 2 traveling in the right lane of Route 36 West ahead of Vehicle 1. Vehicle 2 utilized its right turn signal as if it was going to turn right on Wyckoff Road. Vehicle 2 abruptly changed to the center lane without any indication and driver of Vehicle 1 attempted to swerve the vehicle into the right lane. As a result, Vehicle 1 crashed into the rear bumper of Vehicle 2. Driver was not injured and did not need medical attention. Vehicle 1 sustained moderate damage to the front driver side bumper.

Vehicle 2: Driver stated she was traveling in the center lane of Route 36 West approaching Wyckoff Road when Vehicle 1 crashed into the rear passenger side bumper. Driver reiterated multiple times that she was not in any other lane than the center lane. Driver said she was not stopped or slowing in traffic when the crash occurred. Driver was not injured and did not need medical attention. Vehicle 2 sustained damage to the aforementioned area of the vehicle.

Police: I observed the damage to both vehicles. Due to conflicting stories I was unable to determine fault of the crash. I attempted to walk in the roadway to examine tire marks and debris. Due to low light level conditions, I was not able to yield a positive result. It should be noted that driver of Vehicle 2 requested to give a written statement which she completed and I turned over to records.

145 Crash Description

D1 stated that while she was attempting to find a parking space in the Harbor Freight parking lot, she initially could not locate one in front of the store. After checking for a space, she proceeded to back up in the lane of travel and look for a parking space. During this process, D1 backed into V2 who was attempting to back out of a parking space in front of the store.

D2 stated that while he was waiting to back out of his parking space, he observed V1 drive past his vehicle in his rear view mirror and proceeded to back out of his space. While he was backing out, he did not observe V1 backing up in the lane of travel to look for a parking space. As a result, D1 backed into V2. No injuries were reported and both vehicles were able to be driven.

Based on the information provided, V1 is deemed at fault in this accident because of improper backing in the lane of travel to look for a parking space.

145 Crash Description

D1 stated that while she was waiting to make a left turn from Route 35 north onto Tinton Ave., she observed the traffic signal turn yellow and proceeded to turn. During this process, she observed V2 traveling south on Route 35 in the left lane and crashed into V2 while turning.

D2 stated that while she was traveling in the left lane of Route 35 south, she approached the intersection of Route 35 and Tinton Ave., observed the traffic signal change to yellow and proceeded through the intersection while the light was still yellow. While driving through the intersection, she observed V1 make a left turn from Route 35 north onto Tinton Ave causing V2 to strike V1. According to D2, she was over the stop line of Route 35 south when the light changed to yellow.

Based on the facts at hand and statements from each driver, D1 was determined to be at fault for this crash because she failed to yield to the right of way of V2. Both vehicles sustained disabling damage, but no injuries were reported.

145 Crash Description

V1 was stopped in traffic westbound on Tinton Ave just prior to the intersection at Hope Road. V2 was stopped directly in front of v1. Dr#1 stated she saw the left turn arrow turn green and she proceeded forward and collided with the rear of v2. Dr#1 said she did not have the green light to proceed forward. Dr#2 stated she was stopped in traffic when v1 collided with her in the rear. I find dr#1 at fault for this accident due to driver inattention by not checking in front of her before moving forward and following too closely.

V1 was stopped in traffic in the right lane of Route 35 North prior to the intersection of Industrial Way East. V2 was stopped in traffic directly in front of v1. Dr#1 stated she saw the light turn green and she began to move forward. Dr#1 said she began to move forward and did not realize that v2 was not moving forward. Dr#1 stated she then collided with the rear of v2. Dr#2 said he was stopped in traffic when he felt v1 collide with him in the rear. I find dr#1 at fault for this accident due to following too closely and driver in attention by not checking for traffic in front of her before moving forward.

145 Crash Description

Veh1 was stopped on Grant Avenue and waiting for traffic to pass so the driver could make the left hand turn onto Alexandria Court. Veh2 was traveling directly behind Veh1 and rear ended Veh1.

The driver of Veh1 stated that she was waiting to make the turn when Veh2 rear ended her vehicle.

The driver of Veh2 stated that Veh1 came up very fast and she could not stop in time.

The independent witness, James Staveley, explained that he was driving north bound on Grant Avenue. He observed Veh1 to be fully stopped and waiting to make the left hand turn. He then observed Veh2 come around the corner of Buttonwood and Grant Avenue at a high rate of speed. He stated that he did not think Veh2 even applied their brakes before they struck Veh1. He reiterated to me that Veh1 was at a complete stop as well.

Veh2 is at fault for this crash due to the fact that they did not slow down and rear ended Veh1.

145 Crash Description

V1 was driving in the right lane of Route 36 West approaching the intersection of the DMV Jug Handle. V2 was starting in traffic directly in front of v1. Dr#1 stated she was in a hurry and driving too closely to v2. Dr#1 said when she noticed dr#2 was too close she applied the brakes but did not have sufficient distance to stop before the collision occurred. Dr#2 said he was stopped in traffic and observed the traffic light turn green so he could proceed forward. Dr#2 said he began moving forward slowly when he felt v1 collide with him in the rear. I find dr#1 at fault for this accident due to following too closely. Dr#2 complained of neck pain but refused medical attention.

145 Crash Description

Vehicle 1 and vehicle 2 were traveling East on Route 36 when they side swiped one another.

Driver 1 stated that he was in the middle lane when a vehicle behind vehicle 2 cut him off causing him to go into the right lane. Upon him re-entering the middle lane vehicle 2 side swiped his vehicle.

Driver 2 stated that she was traveling in the left lane when vehicle 2 all of a sudden side swiped the passenger side of her vehicle.

Due to the conflicting statements I was unable to determine who was at fault for the accident.

145 Crash Description

The owner of V2 explained that her vehicle was unoccupied and parked in a marked parking space. The owner of V2 said that she heard a crash and saw a red sedan, which was parked across the parking lot, driving away. I observed rear bumper damage to V2. I did not observe V1 on scene and D1 never contacted the owner of V2 or the police to report the crash.

Several neighbors from the area advised that the resident at 27 Victoria Drive drives a red sedan. While I was speaking to one of the residents of 27 Victoria Drive, D1 came into the residence with the keys to V1. When D1 saw me, he said that he hit a vehicle across the parking lot. D1 explained that he was backing out of a marked parking space in the parking lot when he backed up too far, striking V2. D1 said he got nervous and left the area and never reported the crash. D1 advised that he parked V1 in the parking lot of 613 Hope Road. I responded to 613 Hope Road and observed rear bumper and rear passenger side quarter panel damage to V1.

There were no reported injuries. D1 is at fault for the crash.

145 Crash Description

Vehicle #2 was traveling north on Wyckoff Road in the left lane. Vehicle #1 is a MONOC ambulance who was making a U-turn on Walter Avenue in order to travel South of Wyckoff Road. Driver #2 stated that she was traveling in the left lane when Vehicle #1 attempted to make a left turn off of Walter Avenue on Wyckoff Road in front of her. She stated that she did not see Vehicle #2 turning out and did not have enough time to stop and tried to avoid the collision but struck Vehicle #1 in the driver's side rear tire. Driver #1 stated that he was following another ambulance north on Wyckoff Road to the hospital and he missed the turn onto Route 18. He stated that he continued on Wyckoff Road and made a slight right turn onto Walter Avenue to make a U-Turn in order to travel in the opposite direction on Wyckoff Road. He stated that he had his emergency lights and siren on and stated that traffic in the right lane had stopped to allow him to turn out. He stated he started to turn left to complete his U-Turn but was struck in the driver's side by Vehicle #2. I determined that Driver #1 is at fault for failing to yield to the right of way to Vehicle #2 who was traveling straight on Wyckoff Road.

145 Crash Description

D2 stated that he was driving straight, down the western most lane in front of JC Penny, when he was struck on the side by V1.

D1 stated that she was pulling out of the middle lane, making a left turn on to the western most lane. She did not see V2 and she pulled right into him.

Based on the statements given to me by both drivers and what I was able to observe at the scene, I was able to determine that V1 was at fault for the crash.

145 Crash Description

V1 was driving in the right lane of Hope Road in front of the Lightbridge Academy located at 810 Hope Road. V2 was stopped in traffic in front of V1. Dr#1 stated she saw V2 drive forward and she began driving forward also. Dr#1 said she saw V2 stop suddenly but she did not have sufficient distance to stop to avoid a collision. Dr#2 stated he was stopped in traffic when V2 collided with him in the rear. Dr#2 said when V1 collided with him in the rear it pushed him into V3. Dr#2 stated V3 drove away and he had no description of the vehicle or driver except that it was a sedan. I find Dr#1 at fault for this accident due to following too closely.

145 Crash Description

D3 stated that while stopped at the red light for Industrial Way and Hope Road, she was hit from behind by V2.

D2 stated that while slowing down to stop at the red light, she was struck from behind by V1 pushing her into V3.

D1 stated that while she was driving west approaching the light she looked up and slammed on her breaks, however she did not have enough time to stop and ultimately hit V2 in the rear pushing V2 into V3.

Based on the statements given to me by all three drivers and what I was able to observe at the scene, I found D1 at fault for this accident for following too closely.

145 Crash Description

Veh #1, veh #2 and veh #3 were all travelling north in the left lane of Route 35. Driver #1 stated that she was behind veh #2 when veh #2 suddenly swerved to the right and stopped short in an attempt to avoid another vehicle. Driver #1 further stated that she attempted to follow veh #2 when the driver swerved right, however, she was unable to stop in time when veh #2 came to a stop. Driver #2 stated that she was driving in the left lane of Route 35 north when a white van came to a quick stop in front of her. Driver #2 stated that she was able to stop behind veh #3, however, veh #1 crashed into the rear of her vehicle and pushed her into veh #3. Veh #3 left the scene immediately after the crash and there is no further information on the vehicle or driver. Driver #2 complained that she had tightness in her chest and felt disoriented following the crash. Driver #2 was also seeking medical treatment for her infant son. She advised that the infant did not appear to be injured, however, he had vomited several times since the crash. Driver #1 is at fault for following too closely.

145 Crash Description

The driver of V1 stated he was travelling eastbound in the left lane of RT36. He stated the traffic ahead of him suddenly slammed on their brakes and when he went to depress the brake pedal of his vehicle, it went to the floor. He stated he was unable to stop his vehicle in time and as a result he crashed into the rear of V2. While on scene the driver of V1 showed me that the brake pedal went to the floor and I saw brake fluid on the ground by the driver's side rear wheel. The driver of V2 stated she was stopped in traffic while travelling eastbound in the left lane of RT36. She stated she was suddenly rear ended by V1.

145 Crash Description

D1 stated that he was traveling south on Broad St. when a deer ran in the road in front of his vehicle. D1 tried to slam on his brakes but ultimately collided with the deer.

145 Crash Description

Veh #1 and veh #2 were both in the turning lane on Wyckoff Road, to make a left onto Route 35 North. Driver #2 stated that she was at a complete stop when veh #1 crashed into the rear of her vehicle. Driver #2 further stated that she advised driver #1 to pull into the Burger King parking lot, however, driver #1 fled the scene on Route 35 north. Driver #2 stated that she started to follow veh #1 and was flashing her lights at the vehicle in an attempt to get the vehicle to stop. Veh #1 was described as a silver BMW. Driver #2 was only able to recall the last three characters of veh #1's license plate (CLD). Driver #2 also stated that driver #1 was a Caucasian or Hispanic female with dark hair.

While examining the minor damage to veh #2, I was able to clearly see that the license plate of veh #1 had left and imprint of "29 CLD" on the rear bumper of veh #2. I then conducted an inquiry through our in-house computer system and located a silver BMW bearing NJ registration F29CLD. The vehicle was registered to Gina Scarfuto out of Wall Twp. I contacted the Wall Twp Police Department and requested they send an officer to Scarfuto's address in an attempt to make contact with her.

On 11/21/2019, I received a message from Scarfuto. I made contact with her and advised her that I believed she was involved in a minor crash in Eatontown on 11/20/2019. Scarfuto admitted her involvement and stated that she "bumped" the back of veh #2 after dropping her water bottle on the floor. She stated that driver #2 got out of her vehicle and began yelling before leaving the area. I advised Scarfuto that driver #2 had remained on scene and contacted the police. Veh #1 was determined to be at fault.

145 Crash Description

D2 stated that she was slowing down to stop at the light of Rt. 35 and Tinton Ave when she was struck from behind by V1.

D1 stated that she was traveling south on Rt. 35 she saw that vehicles ahead of her were stopping at the light and she slammed on her brakes, but was unable to stop in time and ultimately collided with V2.

Based on what I was able to observe at the scene and the statements provided to me by both parties, I was able to determine that D1 is at fault for this accident, for following too closely.

145 Crash Description

Veh #1 and veh #2 were both in the left turn lanes on Route 36 East at Wyckoff Road. Driver #1 stated that he was in the far left turn lane and about to start making a turn onto Wyckoff Road when veh #2 entered his lane causing him to crash into same. Driver #2 stated that he was in the right side left turn lane and starting to make a turn onto Wyckoff Road. Driver #2 stated that he had maintained his lane of travel and veh #1 merged in to his lane. Due to conflicting driver statements, a lack of evidence at the scene and no witnesses to the crash, I am unable to determine who is at fault.

145 Crash Description

I responded to Lewis Street for a report of a motor vehicle accident. I met with the owner of vehicle 1, Ms. Alexis Ferrari, who stated that she was informed that a vehicle backing out of the driveway of 39 Lewis Street had struck her vehicle.

I spoke to the witness of the accident, Ms. Angela Diaz, who stated the following. Diaz was walking on the sidewalk near vehicle 1 when she observed vehicle 2 back out of the driveway of 39 Lewis Street and crash into vehicle 1. Diaz stated that the vehicle then proceeded down Lewis Street toward Route 35 and described the vehicle as a white Hyundai sedan bearing NJ registration L98EZE. I observed white paint transfer on the front of vehicle 1 near the front driver side tire.

I made contact with the owner of vehicle 2, Ms. Adrienne Lambert, and advised her of the incident. Lambert stated that her boyfriend, Mr. Joshshan Bland was driving vehicle 2 and contacted him via the telephone to return to Lewis Street. Lambert returned to Lewis Street and I advised him of the complaint. Lambert stated that he did not believe he hit vehicle 1 and was unaware that he was involved in an accident.

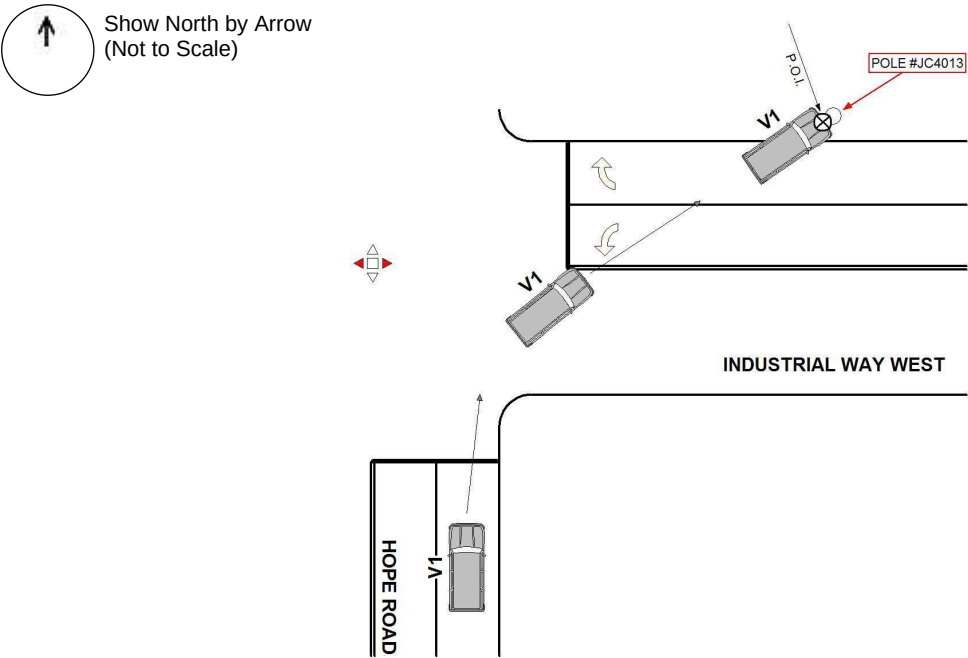

I observed white paint missing from the rear passenger side of the bumper of vehicle 2, and the area where the paint was missing matched up to the area of the paint transfer on vehicle 1. The damage to both vehicles was consistent with a minor backing collision, and it was determined that vehicle 2 did back into vehicle 1.

145 Crash Description

Veh1 was backing out of it's parking spot in the All Seasons Diner. Veh2 was also backing out of it's parking spot in the parking lot.

The driver of Veh1 stated that she was backing out of her spot when she believes that Veh2 backed into her vehicle. She stated that her vehicle was fully in motion when the collision occurred and she was not far enough out of the parking spot to begin to turn the wheel however then she said she may have just switched gears to turn.

The driver of Veh2 stated that she was also starting to back up a little bit and then the vehicles collided.

Due to conflicting stories and no independent witnesses both drivers are at fault for this crash due to the fact that they were both backing unsafely.

Motor Vehicle Crash Description

Police Dept: EATONTOWN POLICE DEPARTMENTCode: --Station: --Case No: I-2019-016372

145 Crash Description

I find dr#1 at fault for this accident due to improper passing and driving the wrong way on Route 35. Dr#1 provided an alternate address of 2805 Route 33, Apartment 95, Neptune Twp., NJ 07753.

On Tuesday, November 26, 2019 I was able to obtain security surveillance from the Calvary Chapel located at 178 Main Street which captured the crash. This video showed v1 driving northbound on route 35 over the painted center median at 1524 hours. While driving on the center median, v1 passed two vehicles in the left and right lane of Route 35 North. V1 then began to pass over the center median into the left lane of Route 35 South. V1 continued in this lane until colliding with v2 which was traveling in the left lane of Route 35 South. A copy of this footage was provided to the Record's Department to be added to this case file.

On Tuesday, November 26, 2019 I was advised by Ptl. Bartlett that this crash is going to be investigated by the Monmouth County Prosecutor's Office and the Monmouth County Serious Collision Analysis Response Team. Det. George Gonzalez will be working with them and for further information please see his investigation report.

145 Crash Description

Upon arrival, I observed v1 facing southbound over the painted center median of Route 35 and v2 was facing southbound off of the roadway on the south side of Route 35. All occupants were in their vehicle and all appeared injured. The vehicles were severely damaged. Patrol units along with first aid and fire personnel began assessing each driver and the occupants condition and treating same.

V1 was driving north over the center median of Route 35 in the area of the Calvary Chapel located at 178 Main Street (Rt 35). V2 was driving in the left lane of Route 35 South in the same area. Dr#1 stated while he was driving his rear passenger side tire pressure was low. Dr#1 said the tire became flat and he began to lose control of the vehicle causing him to cross over the painted median and collided with the front driver side of v2. After the collision, v1 spun around approximately 180 degrees facing the opposite direction and came to rest. V2 was pushed off the roadway on the southbound side and came to rest.

Dr#1 complained of right ankle/foot pain. V1 front passenger complained of abdominal, back and neck pain. V1 rear passenger complained of right leg pain. Dr#2 had lacerations to her face/head and a foot/ankle injury. The front passenger of v2 had lacerations to her face and legs. Dr#2 and v2 passenger appeared disoriented and the extent of their injuries are unknown at this time. All involved parties were transported to Jersey Shore Medical Center for further treatment.

Narrative continued on supplemental report.

145 Crash Description
V#1 was was traveling south on Maxwell Road near the intersection of Tinton Avenue. V#2 was traveling north on Maxwell Road near the intersection of Tinton Avenue.

D#1 stated that he was driving straight ahead when he observed V#2 stopped in the road and appeared to be making a U-turn or K-turn. D#1 stated that he continued driving straight and attempted to drive past V#2 who was stopped in the road. D#1 stated that as he passed V#2,V#2 accelerated forward and struck his vehicle on the driver side doors.

D#2 stated that there was a lot of traffic on Maxwell Road and decided to make a K- turn. D#2 stated that she looked to her right and saw V#1 driving down the road and assumed that D#1 was going to slow down and let her finish the K-turn. D#2 continued making her K-turn, accelerated forward, and crashed into the driver side of V#1.

At the completion of the crash investigation, I determined that D#2 was at fault for the crash for crashing into V#1 while making a K-turn in the middle of the road.

145 Crash Description

V1 was driving forward on Industrial Way East. V2 was stopped in front of v1. Dr#1 stated while she was slowing to a stop she took her jacket off and reached down to place it on the seat. Dr#1 said when she looked up she was too close to v2. Dr#1 said she then collided with v2. Dr#1 said she took her foot off the brake in order to get out and check on dr#2. Dr#1 said she forgot to put the vehicle in park and collided with the rear of v2 again. Dr#2 stated she was stopped in traffic when she felt v1 collided with her in the rear two separate times. I find dr#1 at fault for this accident due to driver inattention by taking her eyes off the road while moving forward and following too closely.

Motor Vehicle Crash Description

Case No: I-2019-016492

145 Crash Description

Ptl. Sweeney #122 was able to obtain the surveillance video from 7-11 at the times when Ptl. DelVento and I observed the occupants of the accused vehicle inside the store. The male was approximately 6'0" and wearing a light colored sweatshirt, black pants, a white hat and had a mustache. The female was approximately 5'5" and was wearing a black jacket, black shirt, jeans and brown boots. I performed an inquiry on Liu's driver's license and compared his photo to the male in the surveillance video. Liu appeared similar to the subject in height and facial structure, however, he did not have facial hair in his driver's license photo. I also performed an inquiry on Kulinich's driver's license and compared her photo to the female in the surveillance video. Kulinich was similar to the subject in height and facial structure.

I spoke with Kulinich in person in reference to the crash on 11/29/2019 at her place of employment. She stated that she was not present in the vehicle and did not know who she allowed to use her vehicle because she "blacked out" from consuming alcohol that evening. While speaking with her I noticed that her build was different than the subject in the surveillance video from 7-11. I showed her a picture of the subjects inside 7-11 from the night of the incident and she advised that she did not know who they were. I advised Kulinich to attempt to identify the subject that was operating her vehicle at the time of the crash and contact this agency or she would be held liable for the crash.

On 12/7/2019, I contacted Kulinich again to inquire if she had any information about the operator of the vehicle. She stated she did not know who was operating the vehicle and was advised to contact this agency when she did. As of 12/8/2019 at 17:00 hours, Kulinich did not contact this agency and did not provide any information about the operator of her vehicle at the time of the crash. She was subsequently issued the following summonses:

E19-5583	39:4-96	RECKLESS DRIVING
E19-5584	39:4-97	CARELESS DRIVING

145 Crash Description

On 11/28/2019 at approximately 05:27 hours, Eatontown Police responded to the area of Broad Street and White Street for a possible motor vehicle crash. Upon my arrival, I observed that the stop sign at the intersection had been knocked over and the accused vehicle, New Jersey registration (U17KCY), was abandoned and left running in the middle of White Street. Patrols checked the area but were unable to locate any subjects. The vehicle is registered to Alexandra Kulinich of 2805 Newman Way in Wall, NJ.

It should be noted that prior to responding to the crash, Ptl. DelVento #123 and I were at 7-11, 16 Broad Street, for an unrelated call for service. While at 7-11, I observed the accused vehicle occupied by a male and female exiting the parking lot onto Broad Street with its tail lights off. I signaled for them to turn on their lights by flashing my flashlight, however, they did not turn them on. When I arrived on location at the crash, the vehicle's tail lights were still off.

S/O II Spahr #121 was able to obtain a phone number for Kulinich along with her mother's phone number from the Wall Township Police Department. S/O II Spahr attempted to contact Kulinich, however, did not receive an answer. I spoke with Kulinich's mother, Debra, who advised that Kulinich had spent the night out and would attempt to make contact with her. The only information Debra was able to provide was that Kulinich was possibly with her friend, James "Niko" Liu. I asked Debra to have Kulinich contact this agency if she was to make contact with her. Kulinich did not contact this agency by the end of the shift (07:00 hours).

145 Crash Description

Veh1 was on Frankel Way waiting in traffic to make the right hand turn onto Route 35. Veh2 was directly behind Veh1 and rear ended Veh1. The unknown driver of Veh2 exited the vehicle and left the scene in the direction of Mill Pond Way with two other individuals. The driver and passenger of Veh1 both described them as young black males, wearing gray and black hooded sweat shirts. The identity of the driver is unknown.

There were two other occupants inside of Veh2 and they were still on scene. They would not identify the driver. Det. Casson responded to 307 Third Street and spoke to the owner of the vehicle, Carol Simko. Carol explained that her boyfriend, Jason Davis, should be driving the vehicle. Davis was present but denied being the driver.

Simko was issued the motor vehicle summonses due to the identity of the driver being unknown.

The driver of Veh2 is at fault for this crash.

145 Crash Description

V#1 was traveling north on Route 35 in the left lane of traffic near the intersection of the Monmouth Mall Jug Handle. V#2 was traveling directly behind V#1. D#1 stated that he was moving slow in traffic when he was suddenly struck in the rear by V#2. D#1 stated that he drove to the shoulder of the road after the crash, however, V#2 fled the area, continuing north on Route 35. D#1 stated that he was unsure what type of vehicle it was, but thought V#2 was possibly grey in color and might have been an Acura.

Witness information: Kenneth Tryonas, 35 Watson Place, Eatontown, NJ 07724, phone number 914-720-2042. W#1 stated that he was traveling north on Route 35 in the right lane of traffic near the intersection of the Monmouth Mall Jug Handle. W#1 stated that he observed V#2 crash into the rear of V#1. W#1 stated that the license plate of the accused vehicle was X42LVJ, which came back to a grey 2019 Mazda CX-5. I asked W#1 what kind of vehicle the accused was driving and he said possibly a newer grey or silver colored Audi. I asked W#1 if the accused vehicle was a car or SUV and he was unsure.

The registered owner of New Jersey Registration X42LVJ was Walter E. Cole Jr., 30 Manhattan Court, Nutley, NJ 07110. On 11/30/2019 at approximately 1600 hours, I called the Nutley Police Department and explained the incident. A Nutley Police Officer went to the residence in an attempt to speak with Walter, however, nobody was home.

At the completion of this report I had not heard from Walter Cole. Due to the victim and witness giving two different vehicle descriptions that did not match the description of the license plate given by the witness, no motor vehicle complaints were signed at this time.

145 Crash Description

D2 explained that she was in the right lane of South Street, stopped at the traffic signal for Wyckoff Road. D2 stated that V1, which she could only describe as a Jeep, was stopped at the red traffic signal in the left turning lane next to her. D2 advised that when the traffic signal turned green, she started driving forward, when V1, executed a right turn from the left turn lane of South Street, across the right lane of South Street towards Wyckoff Road North. D2 said that when V1 made the turn, V1 struck the rear driver's side quarter panel of V2. D2 stated that V1 did not stop and continued north on Wyckoff Road. I observed damage on the rear driver's side door, rear driver's side quarter panel, and rear bumper of V2.

There were no reported injuries. D1 is at fault for the crash.

145 Crash Description

The driver of Veh 1 advised me that he was traveling on Kremer Avenue towards SR35. Driver 1 advised me that he was going to make a right turn on SR35 from Kremer Avenue. Driver 1 advised me that he observed Veh 2 in the inner lane, along with another unknown vehicle in the outer lane. Driver 1 advised me that the unknown vehicle in the outer lane was turning right. Due to this Driver 1 advised me that he pulled out onto SR35 at which point he was struck by Veh 2. Driver 1 advised me that he either went out to much into the lane or took the turn to wide. It should be noted that Passenger C was reportedly crying and was transported to the hospital at the request of her parents (Driver 1 and Passenger B) to get evaluated for possible injuries.

The driver of Veh 2 advised me that he was traveling southbound on SR35 in the inner lane. Driver 2 advised me that Veh 1 emerged from Kremer Avenue and pulled out onto SR35 in front of him last minute. Driver 2 advised me that he applied his brakes but was unable to avoid striking Veh 1.

Witness 1 (Charles Lekkas 732-915-5422) advised us that he was driving his vehicle next to Veh 2 on SR35 southbound, prior to the crash. Witness 1 advised that he observed Veh 1 slow down on Kremer Avenue before the stop sign at SR35 but then pull out onto SR35 in front of him. Witness 1 stated that he quickly applied his brakes to avoid the crash. Witness 1 remembered a female driving Veh 1 and not a male.

Driver 1 is at fault for the crash.

Burnett v. County of Bergen, 198 N.J. 408 (2009). Without ambiguity, the court held that the privacy provision "is neither a preface nor a preamble." Rather, "the very language expressed in the privacy clause reveals its substantive nature; it does not offer reasons why OPRA was adopted, as preambles typically do; instead, it focuses on the law's implementation." "Specifically, it imposes an obligation on public agencies to protect against disclosure of personal information which would run contrary to reasonable privacy interests."

(2) The court or, in cases where the county prosecutor has entered an appearance, the county prosecutor shall notify the victim or a member of the victim's immediate family of any court proceeding involving the juvenile and the court shall permit the attendance of the victim or family member at the proceeding except when, prior to completing testimony as a witness, the victim or family member is properly sequestered in accordance with the law or the Rules Governing the Courts of the State of New Jersey or when the juvenile or the juvenile's family member shows, by clear and convincing evidence, that such attendance would result in a substantial likelihood that specific harm to the juvenile would result from the attendance of the victim or a family member at a proceeding or any portion of a proceeding and that such harm substantially outweighs the interest of the victim or family member to attend that portion of the proceeding;

(3) The court shall permit a victim, or a family member of a victim to make a statement prior to ordering a disposition in any delinquency proceeding involving an offense that would constitute a crime if committed by an adult.
