145 Crash Description/Narrative

Box #14, 17: Measurements pending SCART

Box #120a: Physical Status pending

Box #144: Diagram to be provided by Monmouth County Serious Collision Analysis Response Team (SCART)

V1 was traveling north on SR 35 South, in the right hand lane. V2 was traveling south on SR 35 South, in the left hand lane. As V1 approached the curve in the road (SR 35 South between Oak Ter and Boston Rd), D1 drifted wide right, into the left hand lane of SR 35 South. V2 was just clearing this curve as well, at which point V1 struck V2 head on.

There was catastrophic damage to both vehicles. Both vehicles had multiple airbag deployments (front and curtain). Both vehicles were towed by the Monmouth County Prosecutor's Office for further investigation.

D2 was taken to JSUMC for precautionary measures. D1 was unresponsive on scene, at which point CPR was begun. D1 was transported to JSUMC, where he was pronounced deceased at 0300 hrs.

The Monmouth County Prosecutor's Office and SCART were notified and responded to the scene. NJ DOT was contacted as well, and shut down SR 35 South for the duration of the on scene investigation.

For further, see Investigation Narrative, and SCART Report.
