144 Crash Diagram (NOT TO SCALE)

145 Crash Description/Narrative

V1 was traveling north on SR 35 North, in the left turn only lane, approaching the intersection at CR 17 (W Sylvania Ave). V2 was traveling south on SR 35 South.

As V2 was passing through the intersection, D1 disregarded the yield sign and began to turn left onto CR 17. D1 drove directly into the side of V2. The front driver fender of V1 collided with the driver's side of V2.

There was disabling damage to both vehicles, and the side curtain airbags on V2 were deployed. Jost Towing responded and removed both vehicles.

D2 had a complaint of pain in his back, and briefly fainted just after the crash. He was transported to JSUMC by NTFAS.

A witness (who wished to remain anonymous) advised they saw the entire crash. They said V1 never stopped at the yield sign, and drove into the side of V2.
