145 Crash Description/Narrative

Vehicle #2 was traveling southbound in the left lane on Memorial Drive (CR-40A). Note: Vehicle #2 was approaching a green illuminated traffic signal posted at the intersection of Memorial Drive (CR-40A) / Evergreen Ave. Vehicle #1 was traveling west on Evergreen Ave, approaching a red traffic signal posted at the intersection of Evergreen Ave / Memorial Drive (CR-40A). Vehicle #1 failed to stop at the red illuminated traffic signal and attempted to conduct a left turn south onto Memorial Drive (CR-40A) from Evergreen Ave as Vehicle #2 was proceeding through the intersection, causing both vehicles to collide. The front passengers side of Vehicle #1 collided with the front drivers side door of Vehicle #2. As a result of the collision both vehicles sustained disabling damage. No airbags were deployed. Note: An independent witness on scene (Catherine Kolsa) provided a verbal and written statement. The witness advised that Vehicle #2 had a green light and that Vehicle #1 attempted to make a left turn even though it had a red light.

Driver #1 complained of right foot pain as a result of the collision. The passenger of the Vehicle #2 complained of right knee pain as a result of the collision. Both subjects reporting injuries refused further medical attention from first aid responders. Jims Towing responded and removed both vehicles due to their conditions. Neptune City OEM responded and cleaned up a fluid spill that was created by Vehicle #1.
