Subject: OPRA request - Dimond Springs . SHADOW STUDY

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Dear Nutley Township,

This is a request for public records made under OPRA and the common law right of access. I am not required to fill out an official form. Please acknowledge receipt of this message.

Records requested:

"OPRA's clear purpose . . . is 'to maximize public knowledge about public affairs to ensure an informed citizenry and to minimize the evils inherent in a secluded process.'" Educ. Law Ctr. v. N.J. Dep't of Educ., 198 N.J. 274, 284 (2009) (quoting Mason v. City of Hoboken, 196 N.J. 51, 64 (2008)).

This OPRA request is directed to, Ceci Tramontana, RMC, Nutley Deputy Municipal Clerk. There is no contact ORDER between Elli Pettas and Rory Moore. Complaints have been filed. I still have the right to file an OPRA request.

OPRA machine has determined Pettas has full control over the receiver's email address. Pettas must change the recipient email. I have no dominion, control, or ability to change the recipient's email address. I have filed a criminal complaint against Pettas for using government resources to harass me. Elli Pettas, on 12/7/21, acted with impunity to harass and interrupt my comments during public comments.

SHADOW STUDY

A shadow study shall be provided as part of any site plan application pertaining to this redevelopment in order to determine if there are any impacts on the adjacent property owners. If the Planning Board deems the impacts have a negative impact on adjacent properties, the applicant shall take necessary steps to eliminate such impacts

I seek a copy of the shadow study as per the DMR report.

Yours faithfully,

Rory Moore
