Subject: Husky Brook Graphics

Good day Janice,
Here are the preview files for the course map and tee signs that would be used for Husky Brook.

Remind of what else is needed for us to move forward. I want to come back and walk Husky Brook and try to make it a fun 9 hole.

Thanks

Husky Brook MultiGolfPark

Rules of MultiGolf

MultiGolf is a new and fun sport suitable for the whole family. In multiGolf, three forms of golf are put together: *foot golf*, *short golf* and *disc golf*.

MultiGolf can be played either alone or in a group.

In multiGolf, the course is completed by playing a round of all three forms of golf.

For example, on a 9-hole course players play through all nine holes by playing all three forms of golf. This makes the total amount of holes to be played 27.

Holes are completed by playing just one form of golf at a time.

Rules of multiGolf are simple:

1. MultiGolf course consists of one or more holes.
2. The objective of the game is to get one of the multiGolf objects (football, short golf ball or a disc golf disc) in the target with the least amount of kicks, strokes or throws.
3. Play begins from the marked teeing area with an initial kick, stroke or a throw. Each player plays on their turn.
4. Play continues with an approach kick, stroke or a throw. When every player has completed play by getting the multiGolf object in the target and the scores have been marked, play continues to the next hole.
5. The winner is the one who plays the course with the least amount of strokes, kicks and throws added together.
