New Jersey Police Crash Investigation Report
Motor Vehicle Crash DescriptionPolice Dept: **Middlesex Borough Police Department** Code: **01**Station: **-** Case No: **2022013559**

145. Crash Description

Vehicle 1 (V1), Vehicle 2 (V2), and Vehicle 3 (V3) were involved in a motor vehicle crash on NJS-28 (Bound Brook Road), just east of Coleman Street. Upon my arrival, V1, V2, and V3 remained at the point of impact. The Middlesex Borough Fire Department was dispatched to assist for airbag deployment and fluid spill.

Driver 1 (D1) stated that she was traveling west on NJS-28. D1 identified herself as an Uber driver and at the time of the motor vehicle crash, she was transporting a passenger (P1). D1 stated that she was utilizing the GPS on her cellular telephone and was using the phone in a hands free manner. D1 stated that she believed she glanced down at her phone for a moment and didn't realize the vehicle in front of her came to a stop. D1 stated that as a result, she rear ended V2. V1 sustained disabling damage to the front end of the vehicle. D1 complained of pain to her right wrist and face, but refused medical attention. P1 complained of pain to her face and requested medical attention. Basic Life Support arrived on scene and transported P1 to Robert Wood Johnson University Hospital-Somerset. D1 contacted a private tow and had V1 removed from the roadway.

Driver 2 (D2) stated that she was traveling west on NJS-28. D2 stated that she stopped in traffic and was rear ended by V1. D2 stated that as a result of the collision, V2 was propelled forward into V3. V2 sustained moderate damage to the front and rear end of the vehicle. D2 complained of neck pain, but refused medical attention. V2 was driven from the scene by D2.

Driver 3 (D3) stated that she was traveling west on NJS-28. D3 stated that she stopped in traffic and was rear ended by V2. V3 sustained minor damage to the rear end of the vehicle. D3 complained of pain to her forehead, neck, and back, but refused medical attention. V3 was driven from the scene by D3.

Based on statements made by D1, D2, and D3, as well as the damage I observed to each vehicle, I found D1 at fault for the motor vehicle crash. D1's attention was distracted from the roadway moments before the motor vehicle crash and was the main contributing factor to the collision. D1 was issued summons #1211-E22-001158 for Careless Driving (39:4-97).
