#### Description/ Narrative

Please provide a detailed description of the incident/concern using specific concise, objective language (Who, what, where, when, why, and how).

**The residents of 1 Silver have been visited by Glassboro Police Department five times in the month of October 2022, each resulting in a citation issued to the residents of the property. There are 16 current students (listed as involved individuals) on the lease for the property & one former student (Zachary Tunis, 916333524, not listed); the residents of [REDACTED] are all affiliated with the Kappa Sigma organization on campus. [REDACTED] is known by students seeking parties as one of the Kappa Sigma houses in Glassboro.**

**Sat Oct 1, GPD CFS report, CAD #22-28111: Call for party. Residents will be issued summons for loud noise. Names on call: Thomas Duda, Ilya Sivkov, Amir Coleman & Nicholas Douma. Report not finished.**

**Sat Oct 22, GPD CFS report, CAD #22-30355: Call for loud large party. Officer observed very loud music and could hear subjects talking very loudly. There were large crowds of people in the driveway and in front of the residence. Reyli Gomez was issued a summons for loud noise.**

**Wed Oct 26, GPD CFS report, CAD #22-30808: Call for large party. Officer heard loud music from the residence. Cavan Narkiewicz, Ryan Connolly & Nicholas Ardizzone were issued a summons for loud noise.**

**Fri Oct 28, GPD CFS report, CAD #22-31000: Call for loud party. Officer heard music from the party over the engine noise from his vehicle. There were numerous vehicles parked on both sides of the street and groups of people walking to the party. Officer walked up driveway to make contact with the residents, but the entryway was blocked with a couch and plywood. Officers walked around the property to the backyard and saw approximately 200-300 people. Anthony Rinaldo was issued a summons for loud noise.**

**Sat Oct 29, GPD CFS report, CAD #22-31070: Call for loud party. Officer observed loud music and people outside in the yard talking loudly. Thomas Duda was issued a summons for loud noise.**

**OCSR sought to meet with these residents several times in the month of October 2022 & November 2022, but have not received any contact from any of the residents of the property. Until 11/2/22, OCSR did not have a full roster for this property. This was due to previous noncompliance on the part of the landlord to comply with the Glassboro Code Office policy to obtain a roster for each rental property.**

**OCSR sent out the most recent meeting to meet with all residents of the property as part of Maxient case 20222079. After all 16 students missed that meeting, I sent an email to all residents asking them to pick a time to meeting, copying the President of Kappa Sigma, Nu Iota Chapter & received no response.**
