License Description

The school counselor endorsement authorizes the holder to perform school counseling services such as study and assessment of individual pupils with respect to their status, abilities, interest and needs; counseling with administrators, teachers, students, and parents regarding personal, social, educational, and vocational plans and programs; and developing cooperative relationships with community agencies in assisting children and families. The certificate holder is authorized to perform these duties in all public schools.

Notes & Comments

Notes to Examiner

Deficiency Summary

An evaluation of your credentials has been completed for school counselor certification. To qualify for the standard school counselor certificate, you will need to present evidence of meeting these requirements:

Case ...

App-2024-████████████████████ Degree Requirements History: A...

Application...
