Director Robert Greitz
Ocean County Department of Employee Relations
101 Hooper Ave PO Box 2191
Toms River NJ. 08754

Dear Mr. Greitz:

Director Steve Scaturro of the Ocean County Department of Consumer Affairs has announced his well-deserved retirement date effective August 31, 2022. By way of this letter I am respectfully requesting consideration for the position of Director of the Ocean County Department of Consumer Affairs when it becomes available.

I began my time in this office in November of 2001 under Director Kenneth Leake. Since Ken's untimely passing I have served in a variety of capacities in this office during the tenure of Director Scaturro. I currently serve as Assistant Director of the department and have held this civil service title since 2013. I feel that my twenty-one years of experience with the County of Ocean coupled with my background as a retired police officer is a good fit for the position of Director in that we are trained and sworn civil law enforcement officers.

My law enforcement career began in 1974 when as a U.S Marine I reported to the U.S. Army Military Police School at Fort Gordon Georgia. Since that time I have served continuously in some form or fashion of law enforcement and community service. In addition to my public service I at one time owned a successful business. Having been in that position I have the unique experience of being on both sides of the consumer coin so to speak, giving me insight into the difficulties faced by business owners coupled with the need for regulation to ensure that consumers get a fair shake.

Moving forward I see only great things for this department. Under Director Scaturro we have operated as a team to make this department the premiere office in the State of New Jersey. Many consumer affairs offices in the State of New Jersey including the Office of Consumer Protection in Newark have contacted our office for advice or assistance. Consumers contacting our department are given a full measure of attention to their problems. This office never closed during the pandemic ensuring that our senior citizens had access to our services. In addition, we continue to offer assistance to the residents of Ocean County in the fight against consumer fraud thus projecting a favorable image for the Board of Commissioners. If selected as Director I will ensure that these traditions continue.

I appreciate your time in reading this letter. Should you require further information regarding my credentials or have any questions or concerns please do not hesitate to contact me.

Sincerely,

Ed McBride
