Supplement

On 03/07/23 at approximately 09:04 hours, I, Ofc. Talty #280, spoke with Ryan Kertis via telephone.

While speaking with Mr. Kertis, I advised him this is a follow up to the email thread distributed between himself and Lieutenant Reilly #258, and the case handled by/reported to Ofc. Johnston (case #23PM02333).

Mr. Kertis expressed his concerns involving Dominick Cuzzo and their ongoing litigation regarding rumors spread in the past. He mentioned that on Facebook, there are individuals accusing a woman by the name of Joan Patricia to be him. When viewing the images provided by Mr. Kertis via email, an individual by the name of Tammy Gardella states, "Is Joan Patricia really Ryan??"

Mr. Kertis further expressed his concerns for his safety and added he and his family have been out of town and not in the area due to recent incidents. He also added he has been in Texas for work but has an upcoming meeting with Mayor Bowen and Chief Meroney on Thursday 03/09/23.

I advised Mr. Kertis I will document that we spoke via telephone on this date and if there is anything myself or this department can do for him to reach out to which he understood.

No further report at this time.

Mrs. Zoon contacted police headquarters to speak with myself in regards to prior case #21PM06507. I PTL Leonard #283 went to 8 Front Street to speak with Mrs. Zoon. Upon arrival I met with Mrs. Zoon on her front porch and she relayed to me that she would like the police department to reach out to Mr. Cuozzo. Mr. Cuozzo is accused of harassing Mrs. Zoon via telephone due to on going social media posts by members of Mrs. Zoon's church. I informed Mrs. Zoon I would reach out to Mr. Cuozzo and advise him to stop contacting Mrs. Zoon as she does not wish to speak with him. I obtained Mr. Cuozzo's phone number from Mrs. Zoon and informed her I would be going to headquarters to call him right now. (Entire incident with Mrs. Zoon was captured on BWC).

At headquarters, I contacted Mr. Cuozzo via telephone. I introduced myself by name, title, and badge number and informed him my reason for calling. I inquired with Mr. Cuozzo about what posts on social media are exactly being made about him and Mr. Cuozzo did not wish to share with me. Further speaking with him I informed him that Mrs. Zoon has no desire to speak with him and contacted the police in regards to the amount of phone calls Cuozzo has made to Mrs. Zoon. I also informed Mr. Cuozzo that no charges are being filed as this is phone call was notice to him that he needs to stop calling Mrs. Zoon. Mr. Cuozzo stated to me that he does not believe he is going to be able to stop calling her as he wishes to confront the issue person to person. Mr. Cuozzo further stated to me that due to his beliefs of the bible, it states that confrontation should be met with talking it out amongst eachother. I informed him that this was merely a phone call to him to inform him that any further contact would be considered harassment and Mrs. Zoon was advised of compliant procedures going forward if the matter does not subside. Mr. Cuozzo understood the information I stated to him and we proceeded to speak about matters after not involving this case. Following this phone call no further actions have been taken. (Phone call not captured on BWC).

On the above date and time, I Ptl. Miserendino spoke with Dominic Cuozzo over the phone. Mr. Cuozzo stated that he wanted to file harassment reports against Katherine Tallon and Phylis Zoon. Mr. Cuozzo stated that Ms. Tallon came to a private meeting and harassed him by abusing her township employment position to eavesdrop on their conversation. Mr. Cuozzo stated that on multiple occasions Ms. Tallon and Ms. Zoon would come to town orientated events and harass him by aggressively shouting obscenities towards Mr. Cuozzo. Mr. Cuozzo also wanted to report that on June 17th, 2021 the brand-new A/C units of the church building were vandalized. Mr. Cuozzo has no video surveillance of the incident but has an eye witness who reported seeing two unknown individuals walking from the woods at the back of the property toward the church building at approximately 8:30-9:00pm on Thursday night June 17th, 2021. Mr. Cuozzo believes it could have been Ms. Zoon and reached out to her and asked if her friends in the group "Plumsted for Progress" can stop harassing and vandalizing. Mr. Cuozzo stated that Ms. Zoon has never spoken about her involvement or un-involvement in the incident and never received any of his phone calls. Mr. Cuozzo also stated that Ms. Tallon and Ms. Zoon have filed falsely claimed police reports about him. Mr. Cuozzo also stated that his wife Nicole Cuozzo wanted to press charges for verbal assault against Katherine Tallon. Mr. Cuozzo stated that after the regularly scheduled Plumsted Township Committee Meeting on Thursday, April 7th 2022 his wife Ms. Cuozzo, was walking out of the municipal building towards the foyer when Katherine Tallon verbally assaulted her with the use of offensive language. Mr. Cuozzo stated that Ms. Tallon excessively taunted Ms. Cuozzo by rushing up to her in an attempt to provoke violence. Mr. Cuozzo stated that Ms. Tallon verbally harassed Ms. Cuozzo by yelling "Your husband is a piece of garbage". Mr. Cuozzo provided emails pertaining information relevant to the harassment claim. Narrative

On the above stated date and time I was requested to call Sydne Phillips in reference to on going harassment.

Ms. Phillips stated a rumor has been circulating about her however she does not know where it originated. She learned that the rumor is that she is a prostitute. Ms. Phillips claims this rumor is being spread further by Dominick Cuzzo. She believes the rumor was politically motivated to discredit her husband Ryan Kertis who wants to be appointed president of the Republican Club.

Ms. Phillips also stated Mr. Kertis' ex-wife Alyssa Kertis advised him that she heard the rumor as well and voiced her concern about it impacting their child. (See attached screenshot)

I contacted Alyssa Kertis to ask her where she heard the rumor. Ms. Kertis stated she did not want to be involved with the situation and would not provide any names.

I advised Ms. Phillips of complaint procedures with Plumsted Municipal Court.

On the above date and time, Sydne Phillips contacted police headquarters to further document on going issues. Sydne advised me she received a phone call from Committeeman Cuzzo at 8:30 AM this morning that she did not answer. Following the phone call she received a text message from an spam generated number asking her how much her rates were, in reference to her being accused as an escort. I advised Sydne to send me a screen shot of the text message and I will attach it to this report. No further actions taken at this time.

On the above date and time, I (Ptl. Zagacki #288) spoke with Sydne Phillips about an ongoing harassment related incident. The incident involves a rumor about Phillips stating that she is a prostitute. She also states this rumor is being spread further by an individual identified as Dominick Cuzzo. She advised me that she had received written statements from individuals that routinely interact with Cuzzo, stating he has recently divulged this information about Kertis and Phillips. She believes this harassment may be stemming from a political stance as her significant other, Ryan Kertis is attempting to run for the position of President for the New Egypt Republican Club. I advised Phillips of complaint procedures and asked her to send me the witness statements she had.

Upon Phillips providing me with the written statements (attached below) of those who have witnessed the comments made by Cuzzo. I then made contact with the individuals who had written the statements regarding Cuzzo's before which were confirmed by them.

I then made an attempt to contact Cuzzo via telephone as well as at his residence but was unsuccessful in my efforts. Nothing further.

On the above time and date, I, Ptl. Zacco #291, was dispatched to Police HQ for a Walk-In report.

I met with Dom Cuozzo, who stated he got a strange call last week from an unknown number. Cuozzo stated he gets approximately 2,000 phone calls a day, so he no longer had the number.

Cuozzo also stated he got a strange text from a friend, Ryan Kertis.

Kertis texted Cuozzo on October 26th 2022 at 4:44 PM multiple times first stating "Hey man. Do you have a fucking problem with me that you want to address to me like a man?"

Cuozzo said Kertis was his Campaign Manager at one point, and does not have any problems with Kertis.

Cuozzo responded to Kertis saying "All love for you"

In which Kertis responded "Cool thats not what I hear. But hey, I'll go back to my proustite girlfriend, right? Because you said that. Enjoy all our private messages and emails regarding your campaign online"

After asking Cuozzo what the phone call with the unknown person was about, he said it was a loud argument with an unknown female. He said he heard Ryan Kertis in the background yelling at him "I am going to turn up the heat on you".

Cuozzo agreed with my opinion on that the unknown female caller was most likely Kertis's girlfriend.

Cuozzo said Kertis knows where he lives, but does not have any immediate fear for his or his family safety at this time. Cuozzo stated he just wanted to make a report on the incident.

I advised Cuozzo to report any further harassment or altercation with Kertis if needed.

On 03/07/23 at approximately 09:04 hours, I, Ofc. Talty #280, spoke with Ryan Kertis via telephone.

While speaking with Mr. Kertis, I advised him this is a follow up to the email thread distributed between himself and Lieutenant Reilly #258, and the case handled by/reported to Ofc. Johnston (case #23PM02333).

Mr. Kertis expressed his concerns involving Dominick Cuzzo and their ongoing litigation regarding rumors spread in the past. He mentioned that on Facebook, there are individuals accusing a woman by the name of Joan Patricia to be him. When viewing the images provided by Mr. Kertis via email, an individual by the name of Tammy Gardella states, "Is Joan Patricia really Ryan??"

Mr. Kertis further expressed his concerns for his safety and added he and his family have been out of town and not in the area due to recent incidents. He also added he has been in Texas for work but has an upcoming meeting with Mayor Bowen and Chief Meroney on Thursday 03/09/23.

I advised Mr. Kertis I will document that we spoke via telephone on this date and if there is anything myself or this department can do for him to reach out to which he understood.

No further report at this time.

On the above date and time I Ptl Picinic spoke with Ryan via phone regarding a Facebook post made by Dominick. Ryan explained that all though he does not have Facebook, his girlfriend made him aware that Dominick had posted something which showed Ryan's as well as other subjects home address. During this phone call I requested that Ryan send screen shots of the post to my work email. Ryan was also aware that this was was most likely information that was available to the public anyway. I advised Ryan that I would document the incident and I began explaining complaint procedures to him. During this time, it did not appear as though Ryan wished to sign complaints. No further police action was taken.

On 3/25/23 at approximately 6PM I Ptl Picinic made contact with Ryan to follow up regarding the reported incident from the day before. While speaking with Ryan I was made aware that Sydne Phillips had received suspicious phone calls. At this time Ryan turned the phone over to her and we began speaking. She informed me that while I was speaking with Ryan she had received a phone call from a blocked number. The subject on the other end was described as an older male. During this time he said to Sydne "leave Dominick alone". Sydne Also informed me that another call came in from 732 712 4693. She did not speak with anyone who called from this phone number. During this time she informed me that Facebook has not yet removed the original post and stated that another post has been made. She has since send me a screen shot of the post and it has been attached to this report. I also informed Sydne that if she wished to sign complaints I can provided her information on how to do so.

On the above date and time, I spoke with Sydne Phillips in reference to her and Mr. Ryan Kertis's report made yesterday with Patrolman Picnic. Ms. Phillips wanted to know if any circumstances had changed since Mr. Cuzzo put up their home address in a facebook post. I advised Ms. Phillip's that Patrolman Picnic is in tonight at 1800 hours and will review the email screen shots she sent him last night. Ms. Phillips also advised me she fears that the facebook post is in violation of 2C:14-9 and wants to pursue this matter if Mr. Cuzzo refuses to take it down. I advised Ms. Phillips once Patrolman Picnic arrives for his shift we will review the information supplied to us and also contact Mr. Cuzzo as a courtesy. No further actions taken at this time.

On the above date and time, I Ptl Picinic responded to the area of 67 Ivan's to assist Ptl. Miserendino with a solicitation call. Prior to responding to the area Ptl. Miserendino spoke with the caller who advised him that subjects from a church were going door to door soliciting. The caller also stated they were a "no knock" household and did not want solicitors on their property due to a local ordinance with in Plumsted. It should be noted that prior to responding to this call, Ptl. Miserendino and I reviewed the local ordinance in question.

Upon my arrival Ptl. Miserendino was already on scene and was able to locate the subjects in question. He then walked to my patrol vehicle and we discussed case related information. I was also able to view a pamphlet provided by one of the subjects in question as we continued to investigate the ordinance violation. It should be noted that this pamphlet was advertising Bible Baptist Church.

After discussing the matter with Ptl. Miserendino I exited my patrol vehicle at which point he read the ordinance to Justin Kissam. Mr. Kissam then stated that they were inviting people to the church and not attempting to sell anything. Ptl. Miserendino further explained that in order to solicit within Plumsted a permit is required and there are times which you may not solicit.

Mr. Kissam then explained that while on one subjects' property, they were told to get the F off of said property and told to kill themselves as they walked away. I later explained that although we would not be signing complaint on that resident, the involved parties could attempt to pursue charges on their own. As officers continued to speak with Mr. Kissam, he was advised that certain residence did not wish to have people soliciting on their property. He then explained that he was aware of stickers provided to those residents. I then explained that there was a list of those residents who are part of "no knock" program and that same list is provided to solicitors permit holders.

At this time Mr. Kissam made phone contact with Dominick Cuzzo, a Bible Baptist Church pastor. Ptl Miserendino then spoke with Mr. Cuzzo. During this time, I continued speaking with subjects on scene.

Soon after Mr. Cuzzo arrived on scene and greeted Ptl Miserendino and I. He then explained that he does not appreciate us (Plumsted Township police officers) hastling his guys. He then stated that there is a permit to do what they are doing and there is nothing wrong with what they are doing. He then requested that we excuse them and continue to allow them to do what they were doing. While speaking with him he explained that he filled out the permit in order to avoid issues and he has spoken with Chief Meroney about the matter. Mr. Cuzzo also stated that he was not soliciting.

After speaking Mr. Cuzzo, he said please excuse us and we are going to continue. He was then advised that if they continue, summons will be issued. He then said that we are not going to cite him. While saying this I observed Mr. Cuzzo step into arms reach of Ptl. Miserendino in an aggressive manner. He then advised us that we are going to exit.

At this time Ptl Miserendino advised Mr. Cuzzo that he is not in fact our boss and Mr. Cuzzo then informed us that he actually is our boss. Mr. Cuzzo was informed that although it was only two patrolman on scene, we did make contact with Sgt. Schaal. Mr. Cuzzo stated that he spoke to the chief. Mr. Cuzzo also stated that Sgt. Schaal needs to back off. At the end of the conversation Ptl. Miserendino again contacted Sgt. Schaal and later Chief Meroney.

While Ptl Miserendino was on the phone I remained by my patrol vehicle and soon after continued to discuss the matter at hand with Mr. Cuzzo. Ptl. Miserendino advised me soon after that Chief Meroney would be responding to the scene. At a certain point while speaking

with Mr. Cuzzo, I advised him that I would not continue to discuss the matter with him due to the fact that Chief was responding to the scene.

While waiting for Chief Meroney to arrive on scene an uninvolved subject approached and began speaking with Mr. Cuzzo. This subject identified himself as a police officer from Hamilton. During this time all subjects on scene continued to discuss the matter without actually finding a solution to the problem. The subject who stated he was a police officer asked for my name to which responded with my rank and name. I then asked if he would like my badge number as well to which he expressed that he was unhappy with my attitude. Shortly after we stepped away from these subjects and Chief Meroney arrived on scene.

While on scene Chief Meroney discussed the matter with Mr. Cuzzo. It was ultimately decided that the matter would be handled at a later date. No further police action was taken at this time.

BWC Malfunctioned while on scene and failed to record sections of audio from this call.

Supplement

On the above date and time, there was reports of Church Solicitors going door to door to residents that have a no knock ordinance. I spoke with a Plumsted resident who resides at 12 Ivins Dr over the phone who advised me that a yellow school bus dropped off a group of people who were going around door to door soliciting for their church. The caller advised me that he has a no knock ordinance as well as a no knock sticker on his front door and he witnessed two individuals from the group walk on his property and canvass his property.

I (Ptl. Miserendino) and Ptl. Picinic responded to the area of Ivins Dr in attempt to make contact with the Church Solicitors. Upon my arrival I made contact with Justin Kissam who is a member at the Bible Baptist Church. I advised Mr. Kissam that he cannot be out soliciting at this time, Mr. Kissam explained to me that what they were doing is not solicitating. Mr. Kissam explained that he is not trying to sell anything, only giving out invitations to their church and the residents don't have to take the information if they don't want it. I then read to Mr. Kissam the Plumsted Township ordinance for soliciting (Ord. No. 45-1 Solicit and Solicitation). I also advised him that in order to be solicitating he needs to have a permit with him and the hours that you are allowed to be solicitating in, ordinance numbers are as follows (Ord. No. 45-2 Permit Required) (Ord. No. 45-15 Time, Place, Manner Restrictions).

At this time Mr. Kissam called his pastor (Dominick Cuozzo) and advised him of the situation and he wished to speak with me over the phone. I then spoke with Mr. Cuozzo using Mr. Kissams cell phone, while on the phone with Mr. Cuozzo he asked who he was speaking with. I then advised him that he is speaking with Ptl. Miserendino with the Plumsted Township Police. Mr. Cuozzo then stated stop causing trouble with my people, we are going to continue doing what we are doing so leave us alone. I then advised Mr. Cuozzo that I will issue township ordinances to his members if he does not stop. Mr. Cuozzo stated that I will not issue his church members township ordinances and that I'm going to get myself in trouble. Mr. Cuozzo also stated that he will change the township ordinances himself. At this time I gave Mr. Kissam his phone back and made contact with my immediate supervisor. It should be noted that while speaking with my supervisor my body warn camera was muted to discuss case related information.

At this time Mr. Cuozzo arrived on scene. Mr. Cuozzo explained that he did not appreciate Ptl. Picinic and I hassling his church members. Mr. Cuozzo then explained that they have a permit to do what they are doing and there is nothing wrong with what his church members are doing. At this time Mr. Cuozzo then stated if we could please excuse them so they can continue. I advised Mr. Cuozzo that if they did continue township ordinances will be issued. Mr. Cuozzo then stepped towards me in a aggressive manner and stated "you are not going to cite us you are not going to do that alright". At this time Mr. Cuozzo then told both officers that we are going to exit and let them continue doing what they were doing. I then advised Mr. Cuozzo that he is not my boss and cannot tell me what to do. Mr. Cuozzo then replied "actually I am your boss". I then advised Mr. Cuozzo that I spoke with Sergeant Schaal in regards to the situation. Mr. Cuozzo then stated that he spoke with the Chief of police and Sergeant Schaal needs to back off. Mr. Cuozzo stated that he took every step to do things right and asked for Plumsted Township Police to not hassle his church members.

I spoke with Chief Meroney over the phone who advised me that he will be responding out to the scene. It should be noted that while speaking with Chief Meroney over the phone my body warn camera was muted to discuss case information. At this time Chief Meroney arrived on scene and I advised him all the details involving this incident. Chief Meroney then spoke with Mr. Cuozzo and it was decided that the incident will be re visited at a later date. At this time all parties cleared from the scene. No further police actions taken at this time.

Narrative**Suspicious activity**

Cuozzo reportedly called Ocean County Dispatch at approximately 9:07AM. He advised the dispatcher of a incident that happened. Cuozzo specifically requested to be transferred to state police; per the cad comments "Cuozzo would not come to headquarters later to report this/ did not have confidence this would be handled properly at the local level and insisted on a transfer to State Police". Cuozzo did not meet with state police officers. Cuozzo then arrived to headquarters later on in the day to document this incident.

On the above date and time, I Ptl. Goldfluss #290 arrived at 2 Cedar Street to speak with Dominick Cuozzo regarding an incident earlier in the day. Cuozzo relayed that a female recorded him using her cell phone. Cuozzo recounted the events in the following order. Cuozzo left his home to head to 46 Maple to assist a female with transportation to her eye doctor for surgery. Upon arrival at 46 Maple, Cuozzo parked his car in the driveway to assist the female. While in the driveway, Cuozzo observed a vehicle (NJ P56JSR) driving north on Maple stop in the middle of the road, pass Locust, turn then reversed the vehicle onto Locust and blocked his vehicle in the driveway. Cuozzo approached the vehicle believing the driver was lost and wanted to assist with directions. Cuozzo realized she was recording him, and walked away. It should be noted Cuozzo did not provide any statement regarding any conversation he may or may not have had with the driver of the vehicle. Cuozzo then left 46 Maple with the female to head to Medford for the eye doctor appointment. Cuozzo came to the intersection of 537 and 528, and observed the same vehicle which was previously recording him. The vehicle was now directly in front of him so he took a picture of the vehicle and plate. Cuozzo believes the driver realized who he was by his vehicle and drove through the intersection of a red light. Cuozzo then followed the vehicle to Byrne farmers market. Cuozzo during this time was on the phone with a 911 operator (NJSP 1734, case number 230410517). Cuozzo did not want to stop for the police to file a report and came to police headquarters around 12:00PM to complete this report.

After the completion of the report I contacted Mansfield PD regarding the individual (Kathina Anderson). Mansfield PD advised that they have had multiple police interactions with her regarding filming people and advising their jurisdictional residents on complaint procedures.

I contacted Cuozzo back and informed him based on the facts he provided regarding the incident today, no charges will be filed against Anderson from the police, as nothing criminal occurred based on his description. However if Cuozzo wished to move forward with complaints he was advised of complaint procedure.

Narrative**Harassment**

On the above date and time, I Ptl Goldfluss #290 was talking to Cuozzo about a previous incident that occurred today (23PM05003). Cuozzo wanted to report and document a alleged incident of harassment. Cuozzo stated that he was being harassed by a Cara Blasi. Cuozzo states his affiliation with Cara is through his political work, in which he worked with Cara's husband, Mike Blasi. According to Cuozzo, he believes that Mike and Cara are "married but waiting to get divorced in the future". Cuozzo stated that Cara alleges he stole money from Mike Blasi. Cuozzo also stated that Cara alleges "he and Mike Blasi are in a homosexual relationship". Cuozzo believes that the texts and posts are threatening and harassing.

Cuozzo sent me via email, 122 pictures of posts from Facebook, on a public post regarding the previous allegation of harassment. Cuozzo also sent me via email 11 screenshots of text messages of him and who is believed to be Cara Blasi; no contact name affiliated with the text message pictures, only a phone number. In these text message screen shots, the dates are from June 2022 as the first incident. The next date is 4/24/23, in which more texts appear.

I spoke with the township prosecutor regarding this incident and at its current state, does not rise to the level of the harassment statute. I advised Cuozzo via email of instruction on how to file complaints, and regarding to send a cease and desist letter to the female alleged to be doing this.
