Re: "OPRA Request – Deputy Mayor"

Dear Requestor:

Mount Laurel Township received your Open Public Records Act and common law right of access request seeking various potential public documents. The Township provides this timely OPRA response on the 7th business day.

- 1. Copies of position, salary, payroll record, length of service and amount and type of pension received by employee Meredith Riculfy for the period of January 2014 through the present, pursuant to N.J.S.A. 47:1A-10.**

Response: The attached redacted documents provide the list of position, salary and payroll record for Meredith Riculfy for the time period requested. The length of service began in 2012. There is no pension payment for this employee as she remains an active employee. Mount Laurel is currently in a shared service with Lumberton Township and the employee receives a non-pensionable stipend for providing that support service to the adjacent community. Redactions in the attached documents include the deductions that the employee makes as that information is beyond the scope of N.J.S.A. 47:1A-10.

Because the Township is fully responsive under the Open Public Records Act, there is no reason to further evaluate under the common law right of access.

Sincerely,

Rebecca Paretti, RMC
Township Deputy Clerk
