NARRATIVE

On 05/05/2024 at approximately 2054 hours, Hunterdon County Dispatch advised of a possible intoxicated driver on State Highway 202/31 heading northbound. HCC advised that the calling party was following the Vehicle and provided a [REDACTED] registration [REDACTED], which came back to a black Toyota Corolla.

I was able to locate the vehicle in bearing the [REDACTED] registration [REDACTED] on State Highway 31. I positioned myself behind the vehicle to observe its driving. I observed the vehicle swaying and failing to maintain its lane. I initiated a motor vehicle stop by activating my overhead lights, eventually coming to a stop in the Chase Bank parking lot. I made a driver side approach, I introduced myself and asked for his license registration and insurance. I detected a strong odor of an alcoholic beverage emanating from the driver who was identified as Edward Robinson. Robinson also appeared to have droopy eyelids. Robinson handed me his drivers license and AAA card. I asked where Robinson was coming from, Robinson advised he was coming from the shore and had 2 drinks earlier in the day.

Sgt Vallat and Cpl Benz arrived on scene.

I requested Robinson step out of the vehicle, I brought Robinson over to the front of his vehicle and began to explain Standard Field Sobriety testing.

Walk and Turn: I instructed Robinson into the starting position, explained and demonstrated the test. During the test Robinson struggled to maintain his balance, losing his footing and did not turn properly.

One Leg Stand: I instructed Robinson into the starting position, explained and demonstrated the test. During the test Robinson was unable to raise and hold his foot 6 inches above the ground. I reminded Robinson that his foot needed to be held 6 inches above the ground and restarted the test. Robinson again did not raise his foot 6 inches above the ground and put his foot down.

Sgt Vallat conducted HGN testing, see supplement.

I advised Robinson that he was under arrest for suspicion on DUI. I placed Robinson in handcuffs, the handcuffs were checked for tightness and double locked. Robinson was placed into the rear of 2113. I searched the vehicle for intoxicants and located a opened Bottle of Espolon Tequila located on the front passenger floor. Robinson was transported to Police Headquarters for booking and processing.

Cpl Benz stayed on scene to wait for A&B Garage Towing.

At Police Headquarters, Ptl Soh read the NJ Standard Statement for Motor Vehicle Operators. Robinson agreed to provide breath samples. Ptl Soh and I observed Robinson from 2131 hours to 2153 hours. Robinson was able to provide 1 breath sample but then advised he refused testing and would not longer be providing samples of his breath.

Robinson was issued summons for:

39:4-50

39:4-50.2

39:4-50.4

39:4-51b

39:4-96

Adam Harrison arrived at police headquarters and signed the Potential Liability Form. A copy of Harrison's license was made and placed into the case file along with the Potential Liability form. I emailed Hunterdon County Communications for a copy of the 911 recording from the reporting call.
