Subject: Regarding Township of Mantua

Hi Alden,

My name is Al Mendoza and I lead franchise development for a 20+ unit female boxing fitness concept called Jabz Boxing.

Here's a brief rundown of us:

- **We reach an underserved market** – women-only clubs are necessary for its members on social, emotional and religious levels;
- **We are witnessing huge demand** – Jabz has experienced tremendous growth since its inception; almost doubling in size year-over-year; and
- **We are recession-resilient** – health will always be prioritized as women continue to make healthier lifestyle choices

I am reaching out today because your experience at Township of Mantua per LinkedIn caught my attention. Your skillset and background mirror closely to that of our current franchise owners and would like to discuss a new franchise opportunity that has opened up in New Jersey.

Please let me know if you have an interest in speaking or learning more.

Thanks,

Al Mendoza
