RE: Committee of the Whole on Recent Elections in Edison Township

Dear Ms. Prasad-Madhukar:

We represent the Township of Edison Municipal Council with regard to the Committee of the Whole on Recent Elections in Edison Township, created pursuant to Resolution 111-022019, passed February 27, 2019. That Committee was established pursuant to N.J.S.A. 40:69A-36 to study recent election-related issues in the Township, namely flyers apparently attacking Edison's Asian communities, that were disseminated in advance of the 2017 Board of Education elections.

As part of this inquiry, you have been selected to provide sworn testimony to the Committee of the Whole at 7:00 p.m. on Tuesday, May 14, 2019. The testimony will be given in the Council Chambers, located at 100 Municipal Boulevard, Edison, NJ 08817.

Please let us know as soon as possible whether you intend to comply with this request. Resolving these questions of public interest is of paramount concern to the Township Council, and your participation will be crucial towards this end.

Thank you for your prompt attention to this matter and we look forward to hearing from you soon at the contact information provided below.

Best Regards,

Christopher M. Malikschnitt
