

Dear Edison Voter,

Let's preserve the Edison Board of Education's independence and financially conservative management practices. On Tuesday, Nov. 7th, please elect the "Unity Team" — **Jingwei "Jerry" Shi (3H) , Falguni Patel (5H), Beth Maroney (7H) and Paul DiStefano (10H).**

They are the ONLY Edison School Board candidates to pledge support for fiscally responsible school budgets and vow never to compromise Edison's high educational standards. They truly respect our hard-working public school teachers, para-professionals and staff.

The "Unity Team" will ensure that Edison School District's policies and practices reflect the best interests and needs of our children. They will be responsive to parents — not to the capricious whims of special interest groups.

Our Board of Education must remain independent and professional. To make that happen, **please vote for Jingwei "Jerry" Shi at 3H on the ballot; Falguni Patel at 5H; Beth Maroney, 7H and Paul DiStefano, 10H.** They have earned my endorsement and they deserve your support.

Respectfully,

A handwritten signature in black ink, appearing to read "Tom Lankey".

Mayor Tom Lankey
