GRIEVANCE PROCEDURE

The Board recognizes the rights of an employee who has a grievance to carry his/her appeal to the Board. The Board recognizes the rights of public employees, guaranteed to them by the New Jersey Constitution, and in N.J.S.A. 34:13A-1 et. seq. as to presenting and processing a grievance.

A. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems, which may from time to time arise affecting employees. Both parties agree that proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

B. Definition

A "grievance" shall mean a complaint by an employee, group of employees or by the Association that there has been harm suffered by a misinterpretation, inequitable application, or violation of policies, agreements and/or administrative decisions of any of the provisions of the Agreement or concerning working conditions or employment.

C. Pre-Grievance Intervention

1. An employee, who has a concern/problem/issue that is based on contractual language, or Board policy or procedures, or an administrative decision, should first arrange an appointment with the principal or immediate supervisor involved, to discuss the matter. The grievant must have the Association's designated representative present to discuss the grievance in question. The discussion should commence no later than five (5) working days after the concern/problem/issue became known.
2. A pre-grievance conference is meant to be informal in nature. The concern/problem/issue should be clearly presented, and solutions or suggestions to address the concern may be offered by the individual or the Association representative. Every effort should be made to consider all reasonable solutions put forth, and to resolve the matter at this level. The Association representative however is charged with representing the views of the Association with regard to any resolution to the matter.

2. The arbitrator shall not have the authority to add to, delete from, or modify this Agreement.
3. A grievance may proceed to binding arbitration only under the authority of the E.P.S.C.M.A.
4. The parties will arrange to have arbitration meetings at mutually agreed upon sites in Edison Township.
5. Only the Board, the aggrieved employee, and the association shall be given copies of the arbitrator's report of findings and award. This shall be accomplished within thirty (30) working days of the completion of the arbitration hearing.

F. Communications and Time limits

1. Upon its decision at each level, that person or party shall render that decision within ten (10) working days, in writing and with reasons.

ARTICLE V

JOB SECURITY AND SENIORITY

A. Tenure

Employees hired effective January 1, 1995, or thereafter, are and shall be employed for fixed terms and shall not be eligible for tenure.

B. Seniority

1. District seniority shall be defined as length of continuous service with the Edison Township Board of Education from the last date of hire. Track or departmental seniority, defined as length of time on a permanent basis in a particular track, either as custodian or in the maintenance/grounds departments shall be used only for determining layoffs and recalls. Recalls for custodians who have been laid off but are not on either track, shall be placed on a list and recalled based upon district seniority.
2. Two seniority lists shall be kept: one, district seniority and two, departmental seniority. The Board of Education shall provide the Association each September with the current seniority list in each category.
3. In the event that two (2) employees commence their employment on the same date, their respective seniority shall be determined by the toss of a coin.
4. An employee's seniority shall cease and employment status shall terminate for any of the following reasons:
 - a. Resignation or retirement.
 - b. Discharge for just cause or dismissal under the tenure statutes.
 - c. Failure of laid-off employees to report for work either: 1) on the date specified in written notice of recall or, within three (3) working days after date of receipt of the registered mail notice of recall, unless the employee has a justifiable excuse for his failure to return to work as provided herein. The Board shall give careful consideration to an employee's reasons, which may have caused a delay in his return to work. Written notice of recall to work shall be sent by the Board by certified mail, return receipt requested, to the employee's last known address, as shown on the Board's personnel records. The Association President will be sent a copy of the recall notice.
 - d. Failure to report to work for a period of three (3) consecutive scheduled working days without a reasonable excuse for such absence.
 - e. Layoff for a period exceeding one (1) year.

C. Layoff and Bumping Rights

1. In the event of layoffs, an employee may bump another employee with less seniority in either of two ways: 1) an employee in one of the tracks could bump the least senior employee in that track based upon the employee's seniority in the track (e.g., a maintenance or grounds employee with ten (10) years of maintenance or grounds seniority whose position is eliminated could bump the least senior maintenance or grounds employee in this track), or, 2) this same employee, if he is the least senior employee in the maintenance or grounds track, could bump the least senior employee in the custodian position. Custodians, whether day or night, would have bumping rights based on their district seniority.

2. Any bumping or recall must take into consideration the employee's ability to perform the job.
3. Any employee whose position is eliminated or filled by another employee whose position has been eliminated and who refuses a position which he has a right to claim under above shall lose all seniority rights under Section B of this Article. A full-time employee may refuse to claim a part-time position and shall maintain seniority rights under this Article.

D. Promotions

1. Whenever the Board acts with respect to promotions, transfers, and assignments, the Board will consider the employee's skill, ability, work record, periodic evaluations and seniority with the District. Seniority will prevail if ability and qualifications are equal. This will not be in effect for promotions outside the bargaining unit. The Board and Association hereby agree that determinations on skill and ability shall be guided by the decision in Public Employment Relations Commission, No. 2015-74, dated May 21, 2015, unless the decision is overturned or reversed.
 - a. Promotional positions are defined as any position with an increase in pay except day to night shift or midnight to any shift.
 - b. The Board shall have the right to hire a Floater (VII.J.) to fill the opening created when promotional vacancy (ies) occurs.
2. Whenever an employee successfully bids for a change in position, he/she shall be required to remain in that position for at least six (6) months before bidding for a further change. The only exceptions shall be those bids for a change from night to days for a promotional position, midnights to any shift or if no other employee has bid on the new opening.

E. Recall

Employees who have been reduced in rank or compensation because their job title has been eliminated as a position by the Board of Education shall be placed back in that position if it is reestablished by the Board at any later date.

F. Due Process Termination

All custodial/maintenance and grounds employees who have completed five (5) years and one (1) day of employment in the district shall be considered "permanent" and shall not be non-renewed/terminated without just cause.

1. Employees that were hired on or prior to June 30, 2011 have acquired this due process provision.
2. Employees hired on or after July 1, 2011 have earned time towards this due process protection. That is, any and all time worked is counted towards their five (5) year and one (1) day period.
3. All non-renewals/terminations of employees who have completed their five (5) year and one (1) day period shall be subject to the final and binding arbitration provision of this collective negotiations agreement. Upon official notification by the Board of Education of an employees' non-renewal/termination the parties shall select an arbitrator consistent with the provisions set forth in Article IV, Letter E of this collective negotiations agreement.

D. Flexible Shift Assignment

Assignment to all flexible shifts and the midnight shift will be determined utilizing the following selection procedure:

- a. First by seeking a qualified volunteer(s) from within the school where the flexible shift will be utilized;
- b. If no qualified volunteers respond to the flexible shift positions, listed above, said position(s) will be posted district-wide;
- c. Once the position has been posted district wide, and there are still no qualified volunteers, the board shall hire a new employee, provided there is a district wide opening.
- d. If there is no district wide opening, the Board shall have the right to assign the least senior qualified employee currently working in the building that said flexible shift is located.

E. Flexible Shift Guidelines

1. If an employee assigned to the flexible shift is out on vacation time, personal time, sick time or on any type of leave, and management decides this absence needs to be covered, said shift shall be covered by utilizing a full-time employee on overtime.

If additional overtime is required, it will be covered utilizing a full time employee.
3. Employees assigned to the flexible shift shall work the normal work week, Monday through Friday during the summer, unless there is a scheduled event on a Saturday or Sunday. ARTICLE VII

HOURS OF WORK AND OVERTIME

A. Work Hours and Breaks

1. All employees to whom this Agreement applies will be scheduled to work a forty (40) hour week as defined herein. The workday shall consist of eight (8) hours excluding a one-half hour lunch period, except when school is not in session when the lunch period shall be included within the eight (8) hour day. Employees may be permitted to leave the school building during their lunch period with proper notification to their immediate Supervisor.
2. All employees will receive two (2) paid daily work breaks, consisting of fifteen (15) minutes each. One to be taken in the first half of work day and one to be taken in the second half of the work day. Work breaks may not be combined into an employee's lunch break. Work breaks shall be scheduled by the employee's immediate supervisor. The scheduling of employee breaks shall be done in accordance to the operational needs of the building/facilities.

4. For an emergency call-in between 6:00 a.m. and midnight, a minimum of two (2) hours overtime is to be paid at time and one-half.

D. Shift Assignment

1. The Board of Education, through its agents, has the right to determine which shift any employee shall work and to redetermine at any time what hours shall compose any of the shifts. Any shift change will be based on the ability and qualifications to do the work, but seniority will prevail if ability and qualifications are equal. If a temporary shift change is required due to an absence of a Facility Manager/Foreman, it will be based on the ability and qualifications to do the work, but seniority will prevail if ability and qualifications are equal. The Board and Association hereby agree that determinations on skill and ability shall be guided by the decision in Public Employment Relations Commission, No. 2015-74, dated May 21, 2015, unless the decision is overturned or reversed.

2. Shift changes may be made with a minimum of six (6) hours prior notice to the effected employees in emergency situations. When emergency shift changes are made, all hours worked between midnight and 5:00 a.m. will be paid at double time. Any change in regular assignment or transfer will consider and give preference to the district seniority of an employee provided the employee has the necessary qualifications and will be on notice to the Association and employee.

G. Overtime Authorization

Overtime shall be authorized in the sole discretion of the Board through the Office of Buildings and Grounds.

1. Pre-Scheduled Overtime

All pre-scheduled Custodial overtime events at each school/building shall be worked, first by all employees assigned to said building on a seniority rotation basis. If no employee is available to work overtime or additional manpower is required for overtime, then the overtime seniority list will be used.

All pre-scheduled maintenance/grounds overtime shall be worked within their respected departments, first by any maintenance/grounds employee already working on a current job, or second, by any specific skill(s) required to perform said job, not by seniority. If overtime is required for a new job and skills are equal, then seniority will prevail. If additional manpower is required for overtime, then the overtime seniority list will be used.

2. Voluntary Rotating Seniority Overtime Lists

The Supervisor of Facilities shall develop two voluntary rotating seniority overtime lists based on district seniority. The concept of the rotating seniority list is to establish an overtime list that offers overtime assignments based on seniority first; but, also, to equalize the overtime assignments among all employees.

Only during the month of June, of the previous year, employees will be notified by posting and email if they want to be placed on the voluntary rotating seniority overtime lists, by signing up. A phone number where employees can be reached at all times must also be submitted when signing up. By July 1, the Association President will be given a complete overtime list of all who signed up. One list will be for employees who work during the day time shift and the second list for employees working on the night shift. A floater or an employee whose work hours fall during both shifts will be placed on both lists.

The rotating seniority lists for overtime shall be utilized, so that the most senior employee is offered the first available overtime assignment. When the employee is called and there is no answer, or employee refuses, a message will be left that you were being sought after for overtime and you are now being skipped over. The next senior employee on the list will be called until the overtime assignment is accepted. Once the overtime assignment has been accepted, the next senior employee will then be afforded the next available overtime assignment. After every name on the overtime list has been offered an assignment, the overtime list will start again at the number one (1) spot.

All newly hired employees will be asked at the time of their initial employment if they would like to be placed on the voluntary rotating seniority overtime list.

H. Black Seal License

Any Custodian that fails to obtain his/her license within the aforementioned time frame will be terminated.

I. Commercial Driver's License

All transferring and/or newly hired employees to the grounds/maintenance department shall have one (1) year from the date of appointment to a grounds/maintenance position to obtain a Commercial Driver's License (CDL). All transferring and/or newly hired employees to the grounds/maintenance department shall be permitted to use tuition reimbursement, as defined within Article XVII, Section C, for the acquisition of their (CDL). The Board is responsible for any renewal/upkeep fees associated with maintaining a (CDL).

J. Emergency Snow Removal

1. All employees must report for emergency snow removal. Employees who do not report for emergency snow removal will not be paid for that day, unless they a) utilize an available vacation day; b) personal day; or c) sick day accompanied by a doctor's note.
2. The Board shall reimburse any employee called in for work during a declared "State of Emergency" who receives a citation or traffic violation for being on the roads during a "State of Emergency" only. Any employee who receives a citation or traffic violation for being on the road during a "State of Emergency" and is sent home by authorities shall suffer no loss in pay for that day. No other citations will be applicable to this clause.

K. Employee Employment

Employees recognize that their obligation to the Board is primary. Therefore, no employee shall hold any additional job that interferes with his/her employment with the Board of Education. In the event an emergency exists, employees are expected to work overtime as assigned by the Supervisor of Facilities. Emergencies shall be defined as any condition that would affect the opening, safety or integrity of the buildings as determined by the Superintendent's Office.

ARTICLE VIII

C. Probation Discipline

A probationary employee may be recommended by the Supervisor of Facilities or Business Administrator to the Superintendent for discipline or dismissal for any justifiable reason. Notification of discipline or dismissal shall include a written statement of reasons for non-reemployment. Within five (5) calendar days of receipt of notification of dismissal, the employee may request in writing to discuss the termination with the Superintendent of Schools. The Superintendent shall schedule a meeting within five (5) calendar days of receipt of the written request from the employee. The Superintendent must notify the employee in writing of his final determination within three (3) days of the meeting. Such disciplinary action of a probationary employee shall not be subject to the grievance procedure of this Agreement.

D. Promotion Probation

Any employee promoted to a new job shall serve a thirty (30) working-day probationary period. If the employee is found to be unsatisfactory, he/she shall be returned to his/her former position with no loss of seniority.

E. Violation of policies, rules, and regulations

Violations of Board policy, rules or regulations shall be just cause for disciplinary action. No employee shall be disciplined, reprimanded, reduced in rank, reduced in compensation, deprived of any form of salary increment or increase, terminated, deprived of any form of occupational advantage or benefit without just cause. Tenured or non-tenured employees shall have the right to dispute any charge or alleged violation and may appeal such action through the grievance procedure provided under this Agreement. In all matters involving the discipline of employees the standards of progressive discipline as recognized within this Agreement shall be utilized. The American Arbitration Association shall be utilized as guidelines for the application of the just cause standard.
