**Re: Request for Public Records Addressed to the Bergen County
Prosecutor's Office dated February 4, 2019 - reconsideration**

Dear Anonymous,

As you know this Office represents the interests of the Bergen County Prosecutor's Office ("BCPO"). The BCPO is in receipt of your initial request for public records pursuant to the Open Public Records Act ("OPRA") [N.J.S.A. 47:1A-1, et. seq.] and the common law right of access, dated February 4, 2019 as well as your subsequent email dated February 21, 2019 requesting reconsideration. In response to your request for reconsideration, the BCPO's prior response stands as the response of the Custodian.

Although the response is communicated from this office, the response is that of the Custodian of Records of the BCPO. This office purely acts as scrivener. Secondly, the initial request did not contain the names of the individuals you have subsequently mentioned. The request as submitted on February 4, 2019 was:

"All communications to and from Borough attorney Joe Rotollo regarding possible election fraud in Rochelle Park. Any investigations done and all communications from anybody else involved in the allegations."

Notwithstanding, this office does not currently represent the Borough of Bogota in any capacity as you indicate. There would therefore be no conflict of interest. The prior response stands as previously communicated.

Very truly yours,

/s/ Craig P. Bossong
