You will have a public comment portion prior to the vote, don't worry. The presentations on the items will be first, but the comments will come BEFORE any voting. There will also be a second chance of public comments at the end of the meeting as well.

Hi All,

I hope you are all well. I was writing to see if any decisions will be made during the Facilities discussion at tonight's meeting?

If so, I would like to request as I did at the previous meeting, that the public be given the opportunity to make comments before a vote is taken.

Thank you,

Stacey
