Subject: [External]OPRA request - Eluding / Pursuits

Dear Hackensack City,

Please accept this electronic request for public records made under OPRA and the common law right of access. I am not required to fill out an official form or use a particular software platform to submit my request per NJSA 47:1A-6(f), which states that an email from a requestor including all of the information required on the adopted form shall suffice in place of a completed form as a valid government record request.

I HAVE NOT been convicted of any indictable offense under the laws of New Jersey, any other state, or the United States.

I WILL NOT use the requested government records for a commercial purpose.

I AM NOT seeking records in connection with a legal proceeding.

Records requested:

- CAD, Incident Detail, and Investigative reports for all incidents coded: eluding, motor vehicle pursuit, attempt to stop, fail to stop, and resisting by flight from 09/01/2025 to 04/13/2026.

Yours faithfully,

ALLISON R. SAABYE, RMC

The City of Hackensack ("City") records custodian received your Open Public Records Act ("OPRA") Ref. No. 26-769 request on April 14, 2026. As such, the seven business day deadline to respond to your request is April 23, 2026. This response is therefore being timely submitted in accordance with New Jersey law. See N.J.S.A. 47:1A-5.

RECORDS RESPONSE: List of CAD Report for Motor Vehicle Stop, Pursuit and Resisting/Eluding from 9/1/2025 to 4/13/2026.

Records are being provided as they are currently maintained as the City is not required to create a new record to match the exact criteria requested.

Kindly submit a new request for the specific "investigative reports" you are seeking.

No records found for "attempt to stop", "fail to stop", or "resisting by flight" as these are not incident types.

Your OPRA request is now deemed answered and closed.

Thank you for your attention to this matter.
