RE: OPRA dated 4-13-26

Dear Ms. Kim:

The Bergen County Prosecutor's Office received your request under the *Open Public Records Act* (OPRA).

Your request requires additional time beyond the Custodian's reasonable effort, as the circumstances permit, to respond to a request for access to a government record within seven business days because potentially responsive records may be located in off-site storage or require IT services. OPRA allows custodians to seek extensions of time pursuant to *N.J.S.A. 47:1A-5.i*. Specifically, OPRA states that, "the requestor shall be advised by the custodian when the record can be made available. If the record is not made available by that time, access shall be deemed denied."

Your request requires additional processing time until 5-7-26, the date that I anticipate a response can be provided. Of course if a response can be provided earlier to that date, the Custodian will so provide.

If your request for access to a government record has been denied or unfilled within the seven (7) business days required by law, you have a right to challenge the decision by the Office of the Bergen County Prosecutor to deny access. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint with the Government Records Council (GRC) by completing the Denial of Access Complaint Form. You may contact the GRC by toll-free telephone at 866-850-0511, by mail at P.O. Box 819, Trenton, NJ, 08625,

A State Accredited and Nationally Recognized Law Enforcement Agency

by e-mail at grc@dca.state.nj.us, or at their web site at www.state.nj.us/grc. The GRC can also answer other questions about the law. All questions regarding complaints filed in Superior Court should be directed to the Court Clerk in your county.

Very truly yours,

MARK MUSELLA
Bergen County Prosecutor
