Kim,

Steve asked that I email you regarding the draft brochure. If you could add “Esq.” after his name and after Hope Sheds Light add “co-founder” that would be great.

As for the time he said he will speak for whatever amount of time you would like him to or need him to.

Please let me know if you need anything else.

Good Morning,

Thank you again for being part of the Annual PACADA/PAC Conference titled, "The Next Generation: A Focus on Youth" scheduled for Friday, November 18, 2016. I have attached the brochure/registration that was sent out in September and we already have over 100 people registered! On average, we usually have 125-150 people attend each year but I anticipate that this year we may have more because this is such a great topic. Please take a look at the agenda to ensure that the time slots for your presentation still work for you and if there is any issue, please let me know so we can make changes. I hope all of you are available to join us for the entire day but if not, please try to be at Days Hotel approximately 30 minutes before your presentation. Please let me know if you will stay for the day or just be available for your presentation.

Please send me a brief biography to be included in the folders for the attendees. Also, if you have any material that you would like me to print and put in the folders that each registrant receives, please send that over by 11/1/2016. I also ask that if you are using power point to have it saved to your e-mail as well as a zip drive so we have two ways to access it in case something happens. If you like, you can also e-mail to me and I will bring a copy as well.

Lastly, the room will have a screen, podium, microphone for your use and the health department will have a laptop and speakers set up. We have a clicker to advance slides and will have our staff will be available to move slides forward if needed.

Please let me know if you need anything else. Thank you again for being a part of this wonderful conference!

Good Morning Presenters,

Once again, THANK YOU for being part of this wonderful day. We have 143 people registered representing many parts of our Ocean County provider community from behavioral health providers, to Municipal Alliance Coordinators, Student Assistance Counselors, etc.

I have attached the schedule for the day so you know the time of your presentation. As a presenter, you do NOT need to sign in at the registration table. Please come right into the conference room area – grab your nametag off of the table – and we will have reserved seating at the front tables for you. If you would prefer to sit at another table, that is fine but just want you to know that there are reserved seats. Our IT team for the day is Lindsay Prewitt, Lindsey Little and Kate Astor. If you want to double check your presentation in the morning before we start, during breaks or lunch – they will be able to assist you.

My staff and I will be there at 7:45 and registration is from 8-8:30 am. If you have any questions, please call my personal cell at [REDACTED]

Lastly, if you are using a PowerPoint and you would like to send it over to me today or tomorrow (before 4 pm tomorrow 11/17/16), we will test it on our equipment and save it to the computer and a thumb drive as additional back up.

Thank you,

Great meeting today Kimberly.

Again, thank you, Mary and Michelle for attending and educating us about the Ocean County Board of Health.

Your Resources are incredible as well as additional services and partnership/ assistant you provide.

I have attached the flyers that you provided us with so that our founders and executive director can review the material you gave us concerning different support services, from
(Recovery, to Teen Services, Parenting Wisely and Health Education / Various related programs).

Your tremendous list of resources can be found on your web site.

I left copies on the conference table at HSL office for John Hulick to review tomorrow.

I am following up with you about connecting you with Ann Baker so a Link for HSL can be tied in with OCHD. Ann's email address is [REDACTED]

By copy of this email I will also mention

- You participation at our Hope Walk this year. A Vendor Table will be provided
- We will schedule you for a speaking engagement at our next Family Meeting in April (Dates to be confirmed with Arvo Prima) so you, and Mary from Municipal Alliance can make a presentation to the families
- We will follow up and discuss a Social Hosting Event between HSL and OCBH as well as organizing a Speaking Engagement at one of our local schools
- I like the fact that after we speak to children at schools that OCHD can follow up with Evidence Based Programs to assist kids.

Please let us know more about the Grants and RFP's that you will be submitting in July so we can get on the distribution list giving HSL and opportunity to obtain Grants.

We will all learn more going forward but this is a good start.

Thank you again !

Hi everyone,

If you are receiving this email, you have played a part in shaping the Toms River Family Health and Support Coalition's Blueprint for Change.

The work was submitted last week ahead of the deadline because of the sheer determination, passion and commitment of each and every one of you. You can find the Blueprint, three-year budget and focus group results at this link.

<https://drive.google.com/open?id=0B3emez1uSGKGQ2lVNXNXU0tiY2M> Please feel free to share it with whoever you would like.

The work outlined is quite daunting, until you realize we'll be spending the rest of 2017 and most of 2018 learning how to evaluate effectively, researching best practices we may be able to bring in and then creating an actionable plan. This is not a race, it is a marathon. We'll need to continue on in a nice steady pace so we don't have a heart attack and die (pun intended!) ☺

We look forward to continue working with you all over the coming months and years.

Have a lovely summer.

Substance Abuse Team Members,

We have the option of cancelling our June and July Meetings and perhaps starting up again in either August (before School starts) or just go with the first Wednesday in September.

I think you should all be very proud of the work you did to help get us to the final Blueprint stage.

Now our real work will begin and that is what we set out to do in our Blueprint.

After you have had a chance to review the final Blueprint, please let me know when you feel we should meet next.

Lee

Good Afternoon Steve,

I am reaching out to see if you would be interested in submitting your resume for consideration for the Ocean County Opioid Advisory Council. This council would be reviewing the funding from the opioid settlement dollars and identifying potential allocation of those funds. This would be a Commissioner appointed position and with Hope Sheds Light being an essential part of the Ocean County continuum of care and for your advocacy with families, I feel you would be an ideal member for this advisory council.

If interested, could you kindly send me your resume to forward for further review?

Thank you for your consideration,
