Hi Mayor Sabo,

Good morning, I hope all is well. I wanted to share a commercial lease we just closed - our client will be opening a manufacturing facility to produce cannabis infused olive oils and other products in Gibbsboro, NJ. See the news story [here](#).

We have numerous other cannabis cultivation, manufacturing, and retail clients that are still looking for viable locations in townships with remaining resolution letters to offer.

If you have any questions or would like to discuss further, please do not hesitate to reach out - my cell # is 718-809-8093.

Have a great week,
Daniel
