Career Training Opportunity through Continuing Education

As the cannabis industry continues to expand, Union College of Union County, NJ has partnered with Green Flower, a leader in cannabis education, to offer in-demand, online, training programs focusing on cultivation, retail, extraction, product development and more. Learn the skills you need to be a part of a fast-evolving industry.

Taught exclusively by leading industry experts and operators, these 9-week online certificate programs give you an understanding of the cannabis supply chain, and the skills to excel in a specific role within the industry. Delivered through video lectures, readings, and e-learning modules, these programs ensure you have the knowledge to build your cannabis career as a confident professional.
