Re: OPRA Request No. 030520-1

Dear Mr. Duff:

Stockton University's Open Public Records Act (OPRA) Custodian received your OPRA Request on March 5, 2020. As such, the seven (7) business day deadline to respond to your request was March 16, 2020.

By letter dated March 13, 2020, the University extended its response time by nine (9) business days, until March 27, 2020, because of the volume of documents requested, the corresponding review, and the impact of the University's emergent and ongoing operations in response to the Coronavirus (COVID-19) global pandemic. By letter dated March 25, 2020, the University extended the response date to April 3, 2020, because implementation of remote operations had impacted the scope and timing of the University's OPRA responses.

Your OPRA Request sought access to the following:

This is a request for public records made under OPRA and the common law right of access. I am not required to fill out an official form. Please acknowledge receipt of this message.

Records requested:

Email communications to and from Stockton employee Paul Schopp's email address pwschopp@comcast.net regarding the following terms from 1-1-2015 through 3-3-2020.

OPRA allows custodians extensions of time pursuant to N.J.S.A. 47:1A-5. i. Specifically, OPRA states that, "the requestor shall be advised by the custodian when the record can be made available. If the record is not made available by that time, access shall be deemed denied." In addition, please note that on March 20, 2020, New Jersey Governor Philip Murphy signed into law P.L. 2020, c. 10, which amends OPRA to suspend the 7-day response deadline when "a state

of emergency, public health emergency, or state of local disaster emergency” has been declared. N.J.S.A. 47:1A-5(i)(2). New Jersey Executive Order No. 103 declared a state of emergency and public health emergency across all 21 counties in New Jersey, and remains in effect.

Regretfully, the University’s response requires a further extension of time. Ongoing emergent issues with University operations and remote access continue to impact the scope and timing of the University’s ability to respond to OPRA requests.

Pursuant to the above, your request requires additional response time of fifteen (15) business days until Monday April 27, 2020. Please be advised the University will be closed Friday April 10, 2020, in observance of Good Friday.

If your request for access to a government record has been denied, you have a right to challenge the decision to deny access. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint with the Government Records Council (“GRC”) by completing the Denial of Access Complaint Form. You may contact the GRC by toll-free telephone at 866-850-0511; by mail at P.O. Box 819, Trenton, NJ, 08625; by e-mail at grc@dca.state.nj.us; or, at its web site located at www.state.nj.us/grc. The GRC can also answer other questions about OPRA. All questions regarding complaints filed in Superior Court should be directed to the Court Clerk in your County.

Sincerely,

Dawn Livingston
