Hi Lisa:

Do we have any documentation for the State Inspections? When you get inspected by the State would you get a copy of the report? Can you contact DCF and see if they could email us or fax us at least the last year or two that they inspected us? I think it would have been 2013 and 2014 or 2015?

Thank you,
Antoinette

I called the state and they are working from home today. They are going to look tomorrow to see if they have copies of our reports.
