I can't prevent anyone from posting things online. If they feel harassed or threatened they can sign a complaint at their local police department.

I know this Michelle person is off her rocker. That's her problem. And maybe yours! Lol
But I thought Kelli Bowen Bean wasn't supposed to implicate Lynn's rescue anymore.
She's hashtagging her here plus she's also openly communicating with Janice Thompson on this page as well.
So much for "cutting ties"

Again, sorry to bother you, but I am sick and tired of her blowing you guys off and disrespecting and disregarding what was supposedly agreed upon on the day of her arrest.
