Chief,

Please see Deputy Records Custodian/IT Specialist Newsome's response in regards to the request to his office needing to be sent by your department. Unfortunately, this department has no way of knowing the process of how certain records are produced, especially on the police department side and I thank Mr. Newsome for bringing this to our attention so that we can assure requests are properly sent for future requests. Again, this OPRA needs to be responded to no later than Friday, July 14th.

These involve Police Department records, the Police Department was not included on the request, and the request or process for those needs to come from the Police Department.
