Re: OPRA-2023-00468

Dear Sir/Madam:

I am writing in response to your request pursuant to the Open Public Records Act ("OPRA").
Your OPRA request is set forth below:

Per Paff v. Galloway Township, I request email logs consisting of the following fields (at a minimum): sender, recipient, subject, date for the following public officials from January 1, 2019 to present:

Nora Radest
Rosemary Licatese
Ellen Dickson
Ralph Maritato
Christa Anderson
Andrew Ball
David Naidu
Margarine Fox
Greg Vartan

I am interested in all messages To/From all individuals listed below:

Blair Schleicher Wilson
Liz DeCoursey
Dipal Shah
Douglas Wright
Stephanie Buonarota
Christopher Palazzi
Mark Odenwelder
Terry-Ann Zander

A search of the e-mail logs of the City officials listed above from January 1, 2019 to present has generated several hundred thousand records. In order to narrow the search to only messages to/from the individuals listed above, you must provide e-mail addresses for these individuals, as they do not have City e-mail accounts.

A review of all records generated is required to determine if redactions are necessary. OPRA allows public agencies to impose a special service charge whenever the nature, format, manner of collation, or volume of a government record is such that fulfilling the request would require an extraordinary expenditure of time and effort. See N.J.S.A. 47:1A-5(c).

Please advise in writing whether you still wish to receive the records responsive to your request so that the City may calculate the special service charge. If we do not receive a response from you by Friday, May 12, 2023, your OPRA request will be closed.

Sincerely,

A handwritten signature in cursive script, appearing to read "Rosemary Licatese".

Rosemary Licatese, City Clerk
