Re: Opening windows during CoVID-19

As a mechanical contractor in business for over 40 years with schools and municipalities being a large portion of our clients, we have entered a time that is new to all of us regarding COVID-19. We have been closely monitoring what the CDC has suggested along with the state of NJ and I have personally been on numerous ZOOM webinars on how to combat this virus in school buildings and municipality buildings. One of the easiest ways to help is to simply open windows.

In the midst of the COVID-19 crisis, public health officials in the U.S. are increasingly trumpeting the benefits of open windows and fresh air. The centers for Disease Control and Prevention (CDC) recommends opening windows to reduce the spread of coronaviruses, and state health departments are encouraging the same measures to slow the transmission of COVID-19, specifically.

Thank You

Good morning,

I am in the process of filing final documentation with the State of New Jersey for the construction projects we have had done over the past couple of years. A requirement of the state is to provide updated insurance certificates from the contractors that did the work for the school district, even though the work may have been done a while ago. I am sorry to bother you with this, but if you could, please send me an updated certificate of insurance naming the additionally insured and amounts as stated on the attached sample.

Again, I apologize for any inconvenience and appreciate your assistance in this matter.

Subject: Updated Certificate of Insurance

Good morning,

I am in the process of filing final documentation with the State of New Jersey for the construction projects we have had done over the past couple of years. A requirement of the state is to provide updated insurance certificates from the contractors that did the work for the school district, even though the work may have been done a while ago. I am sorry to bother you with this, but if you could, please send me an updated certificate of insurance naming the additionally insured and amounts as stated on the attached sample.

Again, I apologize for any inconvenience and appreciate your assistance in this matter.

Subject: Updated Certificate of Insurance

Good morning,

I am in the process of filing final documentation with the State of New Jersey for the construction projects we have had done over the past couple of years. A requirement of the state is to provide updated insurance certificates from the contractors that did the work for the school district, even though the work may have been done a while ago. I am sorry to bother you with this, but if you could, please send me an updated certificate of insurance naming the additionally insured and amounts as stated on the attached sample.

Again, I apologize for any inconvenience and appreciate your assistance in this matter.

Good morning,

I am in the process of filing final documentation with the State of New Jersey for the construction projects we have had done over the past couple of years. A requirement of the state is to provide updated insurance certificates from the contractors that did the work for the school district, even though the work may have been done a while ago. I am sorry to bother you with this, but if you could, please send me an updated certificate of insurance naming the additionally insured and amounts as stated on the attached sample.

Again, I apologize for any inconvenience and appreciate your assistance in this matter.

Attachment: Terms & Conditions

TERMS AND CONDITIONS

Revised April 25, 2018

D & B Engineering of New Jersey, Inc. ("D&B") is a manufacturer's agent representing the suppliers quoted in this proposal. Acceptance of this proposal is deemed to be acceptance of the terms and conditions set forth by the suppliers represented herein.

PRICE POLICY: Quotations will expire within thirty (30) days from date of quotation, unless accepted in writing prior to expiration.

TERMS: Terms of payment are subject at all times to approval of D&B's supplier's Credit Department. All payments shall be subject to late charges not to exceed 2% per month on balances outstanding beyond agreed terms.

CLAIMS: The responsibility of D & B Engineering of New Jersey, Inc. and their suppliers ceases upon delivery of goods in good order to the carrier. Claims for factory shortages will not be considered unless made in writing to D & B Engineering of New Jersey, Inc. within ten (10) days after receipt of the goods and accompanied by reference to our bill of lading and factory order numbers. As all goods are shipped at customer's risk, any claims for damage or shortage in transit must be filed by customer against the transportation company.

TAXES: The amount of any present or future taxes applicable to the product shall be added to the price contained herein and paid by the customer in the same manner and with the same effect as if originally added thereto.

CANCELLATIONS: D & B Engineering of New Jersey, Inc. and suppliers are to be reimbursed for any and all expenses caused by cancellation of an Accepted Order.

DELAYS: D & B Engineering of New Jersey, Inc. and suppliers shall not be liable for any delays caused by riots, strikes, fires, floods, lack of transportation, accidents, or any other contingency beyond its control.

PRODUCT CHANGES: D & B Engineering of New Jersey, Inc. and suppliers reserve the right to change specifications and/or design without incurring obligation.

RETURNED GOODS: Goods may not be returned except by permission of authorized officials of D & B Engineering of New Jersey, Inc. Returned goods will be subject to a handling charge and transportation costs. Authorized returned goods must be returned to suppliers as directed by D & B Engineering of New Jersey, Inc. Return shipments should not be directed to D & B Engineering of New Jersey, Inc., unless expressly authorized by D&B in advance of shipment.

LIMITED WARRANTY: Subject to terms included herein, D&B warrants that it will, at its option, repair or replace defective parts in the event any product manufactured by D&B's suppliers, sold hereunder and used in the United States or Canada, proves defective in material or workmanship within twelve (12) months from initial start-up, or eighteen (18) months from date of shipment, whichever period expires sooner. Replaced parts are warranted for the duration of the original warranty period. THIS WARRANTY CONSTITUTES BUYER'S SOLE REMEDY. IT IS GIVEN IN LIEU OF ALL OTHER WARRANTIES. THERE IS NO IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. After the first year, there will be a processing fee of 25% of the price of the part, not to exceed \$250 plus freight. No liability shall attach to D&B until D&B has been paid in full for all products purchased hereunder. No person (including any agent, sales representative, dealer or distributor) has the authority to expand D&B's obligation beyond the terms of this express warranty, or to state that the performance of any product is other than is published by D&B. Failure to submit a Start-up Registration Form to D&B within ten (10) days of original product start-up, for products containing motor compressors and/or furnaces, will result in the ship date being used for warranty period determination, and the warranty shall expire twelve (12) months from that date.

WARRANTY EXCLUSIONS: D&B's warranty set forth in the LIMITED WARRANTY section does not apply to any products or parts which (a) have been opened, disassembled, repaired, or altered by anyone other than D&B or its authorized service representative; or (b) have been subjected to misuse, negligence, accidents, damage, or abnormal use of service; or (c) have been operated, installed, or start-up has been provided in a manner contrary to D&B's printed instructions; or (d) were manufactured or furnished by others and which are not an integral part of a product distributed or sold by D&B. Refrigerants, fluids, oils and expendable items such as filters are not covered by D&B's warranty. For additional consideration, D&B will provide an extended warranty(ies) on certain products or parts thereof. The terms of any extended warranty(ies) are shown on the product limited warranty certificate or on a separate extended warranty statement.

D & B Engineering of New Jersey, Inc. and suppliers make no warranty whatsoever with respect to motors, switches, controls, or accessories, inasmuch as they are warranted separately by their respective manufacturers.

Motors, belts, drives and controls are warranted by their respective manufacturers and D & B Engineering of New Jersey, Inc. and suppliers are not liable for field labor required for repair of aforementioned items in the first year of operation or any time thereafter.

CONTRACT DOCUMENTS: D & B Engineering of New Jersey, Inc. sells equipment in accordance with reviewed submittals. Reference to plans, specifications, drawings and the like shall be deemed to refer to reviewed submittals. Additionally, D & B Engineering of New Jersey, Inc. is not a party to any higher tier contracts (for example, Buyer's contract with the General Contractor or Owner) and D & B Engineering of New Jersey, Inc. shall not be bound by the terms thereof. Buyer acknowledges that all necessary approvals (for example, that of Owner, Architect, Engineer, etc.) have been obtained.

DISPUTES AND CHOICE OF LAW: This contract and these Terms and Conditions shall constitute the entire agreement between D&B and Buyer and shall be governed by and construed according to the laws of the State of New Jersey. All claims, disputes, and controversies arising out of or relating to this contract, or the breach thereof, shall, in lieu of court action, be submitted to arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association ("AAA"), and any judgment upon the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof. The site of the arbitration shall be New Jersey, unless another site is mutually agreed between the parties. The parties agree that any party to the arbitration shall be entitled to discovery of the other party as provided by the Federal Rules of Civil Procedure; provided, however, that any such discovery shall be completed within four (4) months from the date the Demand for Arbitration is filed with the AAA.

IN CONCLUSION: All orders accepted by D & B Engineering of New Jersey, Inc. and suppliers are accepted with the express condition that the purchaser agrees with the terms and conditions appearing herein. D & B Engineering of New Jersey, Inc. and suppliers' failure to object to the provisions contained in the customer's purchase order or other communications shall not be deemed a waiver of the terms or conditions hereof nor acceptance of such provisions. No representations or guarantees other than those contained herein shall be binding upon D & B Engineering of New Jersey, Inc. and suppliers unless made in writing and signed by a designated representative of D & B Engineering of New Jersey, Inc. and suppliers.

Subject: RE: MDPK HS - Mechanical Upgrades

Michael,

The controllers for the science wing classrooms are installed. We had to replace most of the control wiring because the previous control contractor used telephone gauge wiring. We replaced it with the proper 18 gauge control wiring. We are programing the controls as they are being installed.

Today we replace the two reheat control valves for Science Room 55 and Prep Room 225.

We will have the controls and programing completed for the two Choirs Rooms by this Friday.

The self-contained convector control valves that needed to be reversed have been done.

The missing pipe insulation in one of the classrooms has been installed.

The freezestat for the RTU that supplies Science Room 55 was found to be defective. My service department will replace it.

Victor,

What's the good news with this project? Are the controllers installed? What do you think about the proposed options for the auditorium / band room?
