Hi Kim,
Judith Teicher, friend of Boardmember Andrew Grossman, will be in Tuesday morning at 8:30 am (she can't make Monday- but Viki advised me that Tuesday would be fine) with her male outdoor cat for neuter.

This should be a no charge visit charged under our Santulli TNR grant, and we will also most likely be getting a gift from the Grossmans to cover it. Judith will be back on Tuesday to pick him up. She thinks he may have ear mites... is that something the drs can check? She is able to administer medication to him.

Thanks so much!

Barbara
