Our next date is 6/8.

I've attached the transfer order, but note it lists his name as Joseph Samaritano, which I'm told is being corrected. The conflict is with ocean county drug court (specifically with a health care provider or something like that), and not the judiciary/prosecutor's office.

Good morning everyone,

I conferenced my case with Samaritano's attorney and the judge this morning. Our judge plans on reaching out to the judges in Ocean and Atlantic for information on their respective cases. We have relisted our case for a conference on June 31, 2020, to see where everything is at. I did explain that the July 28th date in Ocean is just a tracking date and that Promis shows a couple of different June dates for defendant's Atlantic case.

I'll keep everyone posted on my side.

Thanks.

Our next date is 6/8.

I've attached the transfer order, but note it lists his name as Joseph Samaritano, which I'm told is being corrected. The conflict is with ocean county drug court (specifically with a health care provider or something like that), and not the judiciary/prosecutor's office.

Our next date is 6/8.

I've attached the transfer order, but note it lists his name as Joseph Samaritano, which I'm told is being corrected. The conflict is with ocean county drug court (specifically with a health care provider or something like that), and

not the judiciary/prosecutor's office.

Our next date is 6/8.

I've attached the transfer order, but note it lists his name as Joseph Samaritano, which I'm told is being corrected. The conflict is with ocean county drug court (specifically with a health care provider or something like that), and not the judiciary/prosecutor's office.

Hey everyone!

Our next conference is scheduled for June 12th so that we can see what happens with Ocean's June 8th date. Our Judge is also going to be reaching out to the assigned Ocean and Atlantic Judges to see what's going on in

their respective counties. [REDACTED]

Thanks.

Our next date is 6/8.

I've attached the transfer order, but note it lists his name as Joseph Samaritano, which I'm told is being corrected. The conflict is with ocean county drug court (specifically with a health care provider or something like that), and not the judiciary/prosecutor's office.

Our next date is 6/8.

I've attached the transfer order, but note it lists his name as Joseph Samaritano, which I'm told is being corrected. The conflict is with ocean county drug court (specifically with a health care provider or something like that), and not the judiciary/prosecutor's office.

Our next date is 6/8.

I've attached the transfer order, but note it lists his name as Joseph Samaritano, which I'm told is being corrected. The conflict is with ocean county drug court (specifically with a health care provider or something like that), and not the judiciary/prosecutor's office.

Hi Matt. So I filed a drug court application on behalf of defendant, who is detained in Ocean County on charges there. He is a resident of Ocean County and I expect a drug court application to be filed in that vicinage shortly.
It would seem Monmouth application notwithstanding, that the drug court case should be heard in Ocean and that I should move to consolidate the Monmouth case into Ocean County. Defendant also has a case in Atlantic County.
I am copying both counsel on this email.
I send this notice to comply with a timely objection under the fourteen day rule; I think consolidation and not appeal might be the more appropriate course. I understand there also may be a conflict with the Court here in Monmouth County. Please advise. Thank you.

Hi Matt. So I filed a drug court application on behalf of defendant, who is detained in Ocean County on charges there. He is a resident of Ocean County and I expect a drug court application to be filed in that vicinage shortly.
It would seem Monmouth application notwithstanding, that the drug court case should be heard in Ocean and that I should move to consolidate the Monmouth case into Ocean County. Defendant also has a case in Atlantic County.

I am copying both counsel on this email.

I send this notice to comply with a timely objection under the fourteen day rule; I think consolidation and not appeal might be the more appropriate course. I understand there also may be a conflict with the Court here in Monmouth County. Please advise. Thank you.

Our case is now legally rejected, so we can just close our interests unless a motion is filed. I'm not sure what we need to do with Ocean's request to take this case. Obviously that is not possible. Not sure if I can just contact Carole Haines and Heather Hynes and let her know or if it needs to become more official, DM to DM or AJ to AJ??

Hi Matt. So I filed a drug court application on behalf of defendant, who is detained in Ocean County on charges there. He is a resident of Ocean County and I expect a drug court application to be filed in that vicinage shortly.
It would seem Monmouth application notwithstanding, that the drug court case should be heard in Ocean and that I should move to consolidate the Monmouth case into Ocean County. Defendant also has a case in Atlantic County.
I am copying both counsel on this email.
I send this notice to comply with a timely objection under the fourteen day rule; I think consolidation and not appeal might be the more appropriate course. I understand there also may be a conflict with the Court here in Monmouth County. Please advise. Thank you.

■Hi Matt. So I filed a drug court application on behalf of defendant, who is detained in Ocean County on charges there. He is a resident of Ocean County and I expect a drug court application to be filed in that vicinage shortly.

It would seem Monmouth application notwithstanding, that the drug court case should be heard in Ocean and that I should move to consolidate the Monmouth case into Ocean County. Defendant also has a case in Atlantic County.

I am copying both counsel on this email.

I send this notice to comply with a timely objection under the fourteen day rule; I think consolidation and not appeal might be the more appropriate course. I understand there also may be a conflict with the Court here in Monmouth County. Please advise. Thank you.
