Good Morning,

I work from 7-2:30 (with lunch being at 12-1), so I would be available to meet either Wednesday or Friday from 1-2:30. I will need to leave work promptly at 2:30 due to childcare issues. I can arrange a meeting location for the DNA portion of the pre-trial and then walk Mr. Shapiro down to our Ballistics unit to meet with DSgt. Hvasta. When Mr. Shapiro comes to the lab, please advise him to use the main entrance and to ask for me. I will let the guard at the desk know to expect him. Please let me know which day will work better.

Thank you!

Subject: Ballistics and Forensic Labs personnel

Hi Mary:

I left a voicemail for Forensic Scientist Kimberly Michalik (DNA Laboratory) and sent an email to Ballistics Unit Det. Il Nicholas Hvasta using his badge #7400 (lp7400@gw.njsp.org). Do you have any contact information for either of these individuals other than to handle it this way? Harold wants me to set up a meeting with both of them for possibly a morning or afternoon next week (week of 4/24/23) at the Lab in Hamilton in preparation for his Hayes trial (which begins 5/8/23). If you have any other forms of contact at the lab, either DNA or Ballistics personnel, please feel free to reach out to him/her on my behalf and direct them to my phone 856-453-0486, ext. 23109 or email, so I can orchestrate these meetings prior to Harold's return from vacation on Monday, 4/24/23. I would greatly appreciate any assistance in this regard.

Hi Mary:

I left a voicemail for Forensic Scientist Kimberly Michalik (DNA Laboratory) and sent an email to Ballistics Unit Det. II Nicholas Hvasta using his badge #7400 (lp7400@gw.njsp.org). Do you have any contact information for either of these individuals other than to handle it this way? Harold wants me to set up a meeting with both of them for possibly a morning or afternoon next week (week of 4/24/23) at the Lab in Hamilton in preparation for his Hayes trial (which begins 5/8/23). If you have any other forms of contact at the lab, either DNA or Ballistics personnel, please feel free to reach out to him/her on my behalf and direct them to my phone 856-453-0486, ext. 23109 or email, so I can orchestrate these meetings prior to Harold's return from vacation on Monday, 4/24/23. I would greatly appreciate any assistance in this regard.

Jonathan. I'm actually out to lunch and Harold is out of the office at the moment as well. He was going to be stopping by the courthouse to see Miranda, the Judge's Law Clerk, on another matter. I tried to reach him on his cell and left voicemail. I will keep you updated. I apologize for any inconvenience. Thanks.

Good Morning,

I wanted to make everyone aware that, as of right now, I have yet to be able to confirm Mr. Hayes for this afternoon with Mercer County. I have sent a request to every email I have available. I have also faxed the request, and attempted to call the video officer.

I will send out the Zoom invite as soon as I'm able to confirm, but it may not be for 1:30.

When he wasn't transported yesterday, I had a writ sent for the earliest the jail could transport him, which was for tomorrow morning. So, at the very least, if I'm unable to confirm with Mercer today, we should be able to handle his matter tomorrow if everyone is available.

If the primary trial does resolve, Mr. Hayes' matter is set to be Judge Gangloff's backup trial. Would this case be ready to proceed to jury selection on 5/9 or would that need to be scheduled to a later date?

Good Afternoon,

Dante Hayes is scheduled for a trial call on Monday, 5/8. As of right now, Judge Gangloff is anticipating starting a different trial; however, that case may resolve.

If the primary trial does resolve, Mr. Hayes' matter is set to be Judge Gangloff's backup trial. Would this case be ready to proceed to jury selection on 5/9 or would that need to be scheduled to a later date?

I can reach out to the jail staff to find out if they are willing to house him for those weeks between the motions and completion of trial. I'll keep you posted on their position.

That will work for me. Just a heads up. A couple weeks ago, my client wanted me to file a Detention Hearing when he heard that the first nine counts were going to be dismissed. I told him to hold off on that motion. He agreed so long as the trial was not delayed. This isn't a significant delay, but I can't predict for sure what he'll want me to do. It might go a long way for him, if we can convince the Cumberland County jail to keep him in Cumberland County rather than sending him back to Mercer if that is possible.
