Please be advised that your request has been granted. However, due to the number of documents that must be reviewed to determine whether they are responsive to your request and the anticipated need to redact emails that may be identified as responsive, the Board will require seven (7) additional business days from the date of this correspondence in order to perform the necessary review and redactions. Accordingly, the Board's response will be due on March 12, 2026. We will, however, endeavor to respond earlier if possible.

If you should have any questions, please do not hesitate to contact us.

Very truly yours,
