Hi Chief Ackermann,

I have been attempting to contact you regarding the recent New Jersey mandate on body cameras, since you had expressed interest in learning more about the topic. Unfortunately, I have not been able to make contact with you.

If you would like to speak with a Motorola Solutions representative to learn more about the legislation and learn about the solutions that we offer, please call me at (801) 902 -1501 or reply back to this email. I look forward to seeing how we can help you.

Thank you,
