NJ BODY WORN CAMERA LEGISLATION VIRTUAL LUNCH & LEARNS

Join us for a virtual lunch to learn about the legislation and solutions

CHOOSE A DATE:

Wednesday, April 7
Friday, April 9
Monday, April 12

TIME:

12:00 PM -
1:00 PM EST

The state of New Jersey has recently passed legislation, mandating the usage of body worn cameras for law enforcement. Funding has been approved and the expectation has been set for agencies to implement a body worn camera program in the coming months.

To help provide information on the details of the legislation and potential solutions, we are hosting three separate Virtual Lunch & Learns. Please register for whichever date and time best fits your schedule! All three webinars will cover the same topics.

Join us to learn more about what steps your agency can take to meet this new legislative requirement.
