For the new driver's edification, please let him know [REDACTED] a Friday pickup, is Mansfield Township and would like to be picked up today as it's been missed the last few weeks. Understanding it's on the Mansfield/Springfield border, I can see how it could be confusing, so I just wanted to clarify, as the resident continues to call in.

In speaking with this resident, he's been missed 4 weeks but says he's been patient, but his patients are running out. I realize a bad day for this as a different driver is on but let's grab this guy.

For optics, East Main Street turns into Mount Pleasant Road, follow Mount Pleasant Road out to Route 68, and cross OVER Route 68.

Republic,

Looks like we are going to have to come up with a plan B for Mill Lane. Mill Lane was missed last week for trash because of the road being worked on half way

through. I've received a call now from each resident complaining about the trash. As you're aware, I politely asked you come at Mill Lane from each end in picking up said trash, of which I was told can't happen due to not enough space to turn around, as the road is narrow.

All,

We had a pretty good run and for that I'm very appreciative... However, not sure what happened but the last two weeks, we've literally fallen off the cliff! Please take a listen as I've been sending these residents continuous voicemails to you since Tuesday evening but yet she still has not been picked up?? If there is an internal problem within Republic, communication is key! Something obviously happened. Please grab this resident as she continues to hound me.
