OK, so in researching this phone call, it was not Mansfield Township that gave this lady her trash can.... We don't have that size or type nor do we give out cans. Please take a listen, and kindly give the resident a call.

Can we please see that this resident gets back on the regular schedule... Not sure why she is being missed? I stopped by her place today and it was just one small green bag which I threw in my trunk. She's right across from the Dunkin Donuts on Columbus Road. Corner of Columbus and Vanza Drive. She keeps the bag on the Vanza side.

Good Morning Anthony,

Let's hope for a sane day and maybe a good weekend, I think we both need one of them....

Please take a look at attached and below and let me know what we need to do from our side, if anything, in taking you up on your much appreciated offer. As an FYI, it looks like we will only be taking you up on the offer of the dumpsters at the Township as the Developments we spoke, as possible drop points for 8yd dumpsters are not interested.

Please advise.

Michael

Received the attached invoice from Republic regarding the dump and returns. It was my understanding based on your email from 7/11 that we were not to pay for dump and returns starting 7/11. There are two charges on this invoice that this would apply to - one from 7/12 and one from 7/15. Both are for \$196.00. Can you please ask your contact in Republic to make Kathleen at Republic (lady who does the billing) aware that we should not be charged. I spoke with her this morning and seems like she needs direction not to bill us.

Thanks
Jeannie

Anthony,

As per our conversation, Mansfield Township would like to take you up on the added 30yd container at our Township Building located at 3135 Route 206 South. Due to issues, arising with our regular pick up, we will be expanding hours for Mansfield residents to bring their garbage to the Township Building for drop off. We appreciate your offer in waiving costs for both the current 30yd container as well as the new one, to be dropped off. You can coordinate drop off with Frank in our DPW, copied on this email.

Mike,

Nice talking with you before!

I discussed with the team and unfortunately Republic cannot accommodate the "seasonal" service or the extra bag idea we discussed. I think that the best idea would be for the Twp to put the contract back out to bid and include these options or any other option Mansfield would like

Pleas let me know if you have any questions.

In speaking with Gary, Mansfield was going to be a two day affair, both Friday and Saturday. I've been telling those calling me just that... "sit tight, those not grabbed Friday would be picked up Saturday (today)". The attached voicemail is from a chronic caller on her garbage so I let her know, as with the others, it would be grabbed today.
