Not sure why this is happening to this resident. I called and spoke with her and all seems on the up and up. One bag, no metal, ne recyclables... I told her you were not in town today so it would be grabbed tomorrow. I'd go grab it myself, but want the crew to see where it is for future reference.

Folks,

This resident on Old York Road is continually missed. I asked her to leave her trash out and it would be grabbed on Friday. This is the interesting part.... it seems, a lot if not all of her neighbors have started putting their garbage out on Tuesdays and according to this resident, Republic is grabbing [REDACTED] on Tuesday's???? This resident, going by the book, is putting hers out on Wednesday (as she should) but no one is picking up. Has Old York Road been switched to Tuesday pickup from Wednesday without the township's knowledge?

Good morning,

Our driver is on Mansfield Rd. W. servicing the MSW. He reported that there are some toters not out and many in the street. This is most likely due to the weather – there is a chance that some toters blew away in the wind. Our driver will be putting the cans back on the curb after service, but we wanted to give you a heads up in case residents call in.

Republic,

As I sit here and look further into the splitting off Friday's route, (which we're not able to finish on a constant basis) and move half the route to Monday, here are my thoughts.... As previously mentioned to Anthony, if we lumped off the developments, and moved them to Monday, we could make this happen in a more efficient manner, with no advertising time or cost to Republic; we could do this in house.

Here are the numbers:

Friday's Route currently consists of 1298 residents. If we lump off the following, we can cut Friday to 621 residents and Monday to 677 residents.

Monday's Run, lumped off from Friday:

1. Mapleton 510
2. Bridal Ridge Estates 15
3. Quail Run 10
4. Cloverdale Estates 43
5. Landview Estates 52
- Forrest Edge 47

Again, Friday's Route would now be 621 and Monday's Route would be 677.

Subject: Mansfield Saturday Update 5/14

Importance: High

Mike,

To recap what happened on Friday and Saturday:

- On Friday, Two driver teams were in town to cover their sections.
- One team broke down on 206 around 4PM and it became too late due to location of other drivers and hours constraints of those drivers to do recovery.
- I kept the other team out in Mansfield to recover School House Lane, Kings Court and Georgetown. For Mapleton, 68, and Cloverdale, they were not recovered last night.
- This morning, I sent a truck with three employees out to areas down in Mansfield. They reported completion of Mapleton, 68, part of Georgetown.
- The team of employees sent are unfamiliar with Mansfield and they couldn't 100% commit to me that Cloverdale was 100% finished today. I couldn't send them back out either due to hours constraints.

The gameplan for Monday is to run a recovery to Cloverdale and also run the town to check to see if there are any cans on Georgetown.

Thank you,

Allison,

I called the number located below Ms. Young's name and had to leave a message. My message stated that vehicles are able to enter and exit the development with no problem BUT..... even if they weren't able to get in the entrance, wherever they say the construction is, you would think Republic would know by now that there are TWO entrances into the development, one off of 68 and one off of Mansfield Road East!

Can someone from Republic please tell me if the drivers are going back to Four Seasons???
