For the new driver's edification, please let him know  Road, a Friday pickup, is Mansfield Township and would like to be picked up today as it's been missed the last few weeks. Understanding it's on the Mansfield/Springfield border, I can see how it could be confusing, so I just wanted to clarify, as the resident continues to call in.

In speaking with this resident, he's been missed 4 weeks but says he's been patient, but his patients are running out. I realize a bad day for this as a different driver is on but let's grab this guy.

For optics, East Main Street turns into Mount Pleasant Road, follow Mount Pleasant Road out to Route 68, and cross OVER Route 68.

Hi Dominic, last week you, I and Michael spoke and we talked about putting out bid specs with three options;

Automated without bulk

You were going to forward us specs for the automated.

Can we expect those specs anytime this week?

There are a few houses on my road where the garbages were not picked up and they are still out.

Do you know if they will be coming back to pick it up?

To whom it may concern:

Is there a reason that our trash has not been picked up, pick up day is Wednesday? I can see the entire street and surrounding side streets have not as well.  
This is not the first time, and certainly not the first time with recycling as well.

Please advise, when the garbage truck will be buy to pick up the trash, before animals get in it.

Thanks

What seems to be going on with our garbage collection?

I live in Four Seasons off route 68 and the garbage people are two days late.

I cannot walk my dog or walk by myself at night because the raccoons are running all over our streets sniffing the trash.

I'm complaining because this is becoming a habitual problem with our grange, many times the company is at least one day late.

Thanks.

Are we ready to implement a Monday run, splitting off half of Friday? As we can see, this is not working. We're continuing to see the same problem every week and not addressing it... bad business practice. I would like to know who I will be receiving calls from as their garbage will be sitting all weekend AGAIN. Please let me know who will be left out so I'm prepared. Can we please fix this problem as my weekends are completely ruined by sitting garbage and irate residents week after week!

Tony has ~~\_\_\_\_\_~~ and Mapleton all completed but is packing out soon and heading to dump. Johnathan has about an hour left on his route and will provide some help to Tony. Tony got a late start due to parking brake issues which is causing delay on his end. If I had to make a guess I'd figure about 75% of town will be up by end of day. We will have to plan for recovery for Monday. I don't want to promise a team tomorrow when I already know I won't have much to work with due to hours limits. Monday will be more flexible.
